RE: Case No. 2025-00060
Graves County Water District
Remediation of Deficiencies in Alternative Rate Filing Application

Dear Ms. Bridwell:

After recently submitting the corrected files intended to remediate the filing deficiencies identified in your letter dated March 11, 2025, it was brought to my attention that item #10 had not been checked on ARF Form-1. Enclosed for filing in the referenced case is Graves County Water District's corrected ARF Form-1 with item #10 appropriately marked.

Sincerely,

A handwritten signature in blue ink, appearing to read "Robert K. Miller".
