MOTION FOR CONFERENCE WITH COMMISSION STAFF

Pursuant to 807 KAR 5:001, Section 5 and Section 9(4), Graves County Water District ("the District") moves for a conference with Commission Staff to discuss the issues raised in the District's application for rehearing of the Commission's Order of December 23, 2025 in Case No. 2025-00060. As the issues in that application touch upon the District's recently expired Water Loss Detection and Repair surcharge and the District's plans for a replacement surcharge and as the Commission has stated that such issues should be addressed in Case No. 2019-00347, the District requests a conference in both proceedings.
