

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC 2025 INTEGRATED RESOURCE)	CASE NO.
PLAN OF EAST KENTUCKY POWER)	2025-00087
COOPERATIVE, INC.)	

MOTION FOR CONFIDENTIAL TREATMENT

Comes now East Kentucky Power Cooperative, Inc. (“EKPC”), by and through counsel, pursuant to KRS 61.878, 807 KAR 5:001, Section 13 and other applicable law, and for its motion requesting that the Kentucky Public Service Commission (“Commission”) afford confidential treatment to certain information filed in EKPC’s response to comments filed by the Attorney General (“AG”) and Sierra Club hereby states as follows:

1. On April 1, 2025, EKPC filed its 2025 Integrated Resource Plan.
2. AG and Sierra Club intervened and filed comments to which EKPC will file a response contemporaneously with this motion.
3. EKPC’s response contains information which is confidential and proprietary including specific energy and capacity revenues provided by Cooper Station, Sierra Club’s predicted cost per year to keep Cooper 1 operational, predictions for Cooper 1’s fixed costs.
4. Collectively, the information described is designated as the “Confidential Information” for which protection is sought under KRS 61.878(1)(c)(1). Disclosure of the Confidential Information would permit an unfair commercial advantage to third parties and present an unnecessary and unreasonable infringement upon EKPC’s legitimate privacy concerns.

5. The Kentucky Open Records Act and applicable precedent exempts the Confidential Information from disclosure, including KRS 61.878(1)(a); KRS 61.878(1)(c)(1); *Zink v. Department of Workers Claims, Labor Cabinet*, 902 S.W.2d 825 (Ky. App. 1994); *Hoy v. Kentucky Industrial Revitalization Authority*, 907 S.W.2d 766, 768 (Ky. 1995). The public disclosure of the Confidential Information would harm EKPC's competitive position in the marketplace by offering competitors insights into operating costs, resource investment calculations, anticipated load growth, the impact to future year revenue requirements, and system average costs of EKPC that are not otherwise publicly available and would be to the detriment of EKPC. Additionally, the Confidential Information is publicly unavailable. The confidentiality of this information is critical to EKPC's effective execution of business decisions and strategy. For these reasons, the Confidential Information satisfies both the statutory and common law standards for affording confidential treatment.

6. The Confidential Information shows proprietary customer and business information which is crucial to EKPC's business strategy. If this information is publicly available, could give market participants and competitors insights to the operating costs, resource investment calculations, anticipated load growth, and the impact to future revenue requirements and system average costs of EKPC that are otherwise publicly unavailable. This could cause potential harm to EKPC, its owner members, and ultimately the Owner-Members' end-use customers and create an unfair commercial advantage to competitors. This information should be granted confidential treatment pursuant to KRS 61.878(1)(c)(1).

7. Overall, the Confidential Information consists of sensitive and proprietary information that is retained by EKPC on a "need-to-know" basis. The Confidential Information is

distributed within EKPC only to those employees who must have access for business reasons and is generally recognized as confidential and proprietary in the energy industry.

8. EKPC does not object to limited disclosure of the Confidential Information, pursuant to an acceptable confidentiality and nondisclosure agreement, to intervenors with a legitimate interest in reviewing same for the sole purpose of participating in this case. EKPC reserves the right to object to providing the Confidential Information to any intervenor if said provision could result in liability to EKPC under any Confidentiality Agreement or Non-Disclosure Agreement.

9. In accordance with the provisions of 807 KAR 5:001, Section 13(2), EKPC is filing separately under seal one (1) unredacted copy of each of the attachments.

10. In accordance with the provisions of 807 KAR 5:001, Section 13(2), EKPC respectfully requests that the Confidential Information be withheld from public disclosure for an indefinite period.

11. If, and to the extent, the Confidential Information becomes publicly available or otherwise no longer warrants confidential treatment, EKPC will notify the Commission and have its confidential status removed, pursuant to 807 KAR 5:001 Section 13(10).

WHEREFORE, on the basis of the foregoing, EKPC respectfully requests that the Commission classify and protect as confidential the Confidential Information described herein for an indefinite period.

This the 19th day of September 2025

Respectfully submitted,

L. Allyson Honaker
