WITNESS RESPONSIBLE:
GREG MEYER

QUESTION NO. 1
Page 1 of 1

Refer to the Direct Testimony of Greg Meyer (Meyer Direct Testimony), pages 17-18. Provide the calculation of the proposed 5 percent management/administrative team salaries assigned to Farmers Energy Propane Plus (FEPP). If no calculation can be provided, explain why 5 percent was chosen.

RESPONSE:

No additional calculations were used to determine the 5 percent adjustment. Mr. Meyer notes on page 17 of his Direct Testimony that the lack of allocation by Farmers Rural Electric Cooperative Corporation (“Farmers” or “the Company”) was inappropriate. He chose 5 percent as a modest and conservative allocation in the absence of any support provided by the Company for the inclusion of the full salaries for management employees.

WITNESS RESPONSIBLE:
GREG MEYER

QUESTION NO. 2
Page 1 of 1

Refer to Meyer Direct Testimony, page 10 and 11. Confirm that the witness believes donations, advertising, and dues should not be expenditures for a rural electric cooperative corporation. If not confirmed, reconcile the testimony with the response and provide examples where the Commission has gone on to reduce the revenue requirement by an amount already excluded from the requirement.

RESPONSE:

Confirmed.
