**SIERRA CLUB’S MOTION TO EXCUSE WITNESS JEREMY FISHER FROM
TESTIFYING AT THE NOVEMBER 3, 2025 HEARING**

Sierra Club hereby respectfully submits this motion to excuse its sole witness, Dr. Jeremy Fisher, from testifying at the hearing in this matter that is scheduled for November 3, 2025. In support of this motion, Sierra Club submits that good cause exists to excuse Dr. Fisher. Dr. Fisher’s testimony in this docket addressed one issue: the proposed extremely high load factor tariff (sometimes referred to as the “EHLF tariff”). As discussed on pages 18-19 of the Stipulation and Recommendation filed today by Louisville Gas and Electric Company and Kentucky Utilities Company (collectively, “the Companies”), which the Sierra Club joined, the Companies proposed certain modifications to the EHLF tariff. Those modifications are consistent with the recommendations Dr. Fisher made in his testimony. Given that Sierra Club has joined the Stipulation and Recommendation, it will not advocate at hearing for additional

changes to the EHLF tariff, nor does it expect that any party to the proceeding would have questions at hearing for Dr. Fisher. In order to avoid the time and expense of having Dr. Fisher travel to the hearing from out of state to testify on the EHLF tariff terms that are addressed in the Stipulation and Recommendation, Sierra Club respectfully asks the Commission to find that good cause exists and to excuse Dr. Fisher from testifying at the November 3, 2025 hearing.

Dated: October 20, 2025

Respectfully submitted,
