Pursuant to KRS 278.180, KU hereby gives notice to the Commission that, on May 30, 2025, it files herewith its application for adjustment of rates and proposes to adjust its rates in conformity with the tariff sheets (“the revised tariffs”) attached to the application at Tab 4 of the Filing Requirements and made a part hereof by reference.

KU proposes to change its existing rates, terms and conditions in its tariffs for electric service, now on file with and approved by the Commission, by substituting the revised tariff sheets (which are filed as incorporated into the application that is included in this electronic filing) for the corresponding tariff sheets in its existing tariff.

period and issue an order permitting new base rates to take effect for service rendered on and after January 1, 2026.

Notice to the public of the proposed rates is being given through various actions as prescribed by the Commission's Order of May 5, 2025 in this proceeding, including by posting a complete copy of the application in this case on KU's website, and by exhibiting the notice to the public for public inspection at One Quality Street, Lexington, KY 40507. A Certificate of Completed Notice will be filed with the Commission in accordance with 807 KAR 5:011, Section 8 (3). A Certificate of Completed Notice will be filed with the Commission in accordance with 807 KAR 5:011, Section 8 (3).

Additional information required by the Commission's regulations is contained in the application filed herewith and made a part hereof by reference.

Submitted to the Commission this 30th day of May, 2025.
