RE: KY PSC Case No. 2025-00113
And
KY PSC Case No. 2025-00114

Dear Ms. Bridwell:

In compliance with 807 KAR 5:001, Section 8(5), undersigned counsel provides this transmittal letter as the Read1st document. The electronic filing contains Kentucky Solar Industries Association, Inc.'s Intervenor Testimony and this Read1st document.

Undersigned counsel certifies that, pursuant to the Commission's Orders, including the July 22, 2021 Order, in Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus Covid-19*, the paper, in paper medium, is not required to be filed. Certain information contained within the filing is based upon Application Exhibit CRS-7 and is subject to petitions for confidential treatment; therefore, in accordance with the Commission's administrative regulations a public (redacted) version and a non-public (unredacted) version of the testimony is being filed with the Commission for each docket.

Counsel states that material filed with the Commission for the public (redacted) version of the intervenor testimony (through uploading to the Commission's website) does not include an Excel file (exhibit). A PDF of the spreadsheet, with redactions, is part of the public filing. The non-public (unredacted) version of the intervenor testimony (transmitted to Executive Director of the Commission via an electronic mail message) includes an unredacted PDF of the exhibit and the corresponding Excel file for the exhibit. Counsel states that, after consultation with Counsel for the Companies, the Excel file (without redactions) is being transmitted to Counsel for the Companies for uploading to the Companies' confidential material access platform.

With the above differences in the public and non-public filings described, Counsel certifies that the filing included in this electronic submission is the complete filing, and the material in this electronic submission is a true representation of the material prepared for the filing.

Please contact me if you have any questions regarding this filing.

Respectfully submitted,

/s/ David E. Spenard
