

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF)	
LOUISVILLE GAS AND ELECTRIC)	
COMPANY FOR AN ADJUSTMENT OF ITS)	CASE NO. 2025-00114
ELECTRIC AND GAS RATES AND)	
APPROVAL OF CERTAIN REGULATORY)	
AND ACCOUNTING TREATMENTS)	

LOUISVILLE GAS AND ELECTRIC COMPANY’S
MOTION TO DEVIATE

Pursuant to 807 KAR 5:001, Section 22, Louisville Gas and Electric Company (“LG&E” or the “Company”) moves the Kentucky Public Service Commission (“Commission”) to grant the Company approval to deviate from the requirement that parties upload an electronic version of all papers filed in this case to the Commission’s website using the Commission’s E-Filing System.

In support of this motion, the Company states:

1. On May 30, 2025, LG&E filed its Application for an Adjustment of its Electric and Gas Rates and Approval of Certain Regulatory and Accounting Treatments (the “Application”).
2. 807 KAR 5:001, Section 8(3) provides: “All papers shall be filed with the commission by uploading an electronic version using the commission’s E-Filing System at <http://psc.ky.gov>.”
3. Pursuant to the Commission’s Rules of Procedure, the Company must electronically upload to the Commission’s E-Filing System all filings made in this case. The Commission’s Rules of Procedure require that all uploaded non-audio or video files must be in either portable document format (“PDF”) or Excel format.¹

¹ 807 KAR 5:001, Section 8(4)(b), (c).

4. Exhibit CRS-7, which is included as an attachment to the Direct Testimony of Charles R. Schram as part of the Application, exceeds the current 50 MB per-file filing limit of the Commission's E-Filing System.² Exhibit CRS-7 is a roughly 7 GB zip file that consists of compressed workpapers. These workpapers are organized in folder structures that are vital to their usefulness and comprehensibility, which necessitates filing them in their entirety rather than as individual files.

5. LG&E's counsel contacted Commission Staff in the Filings Branch for assistance regarding the file size per the Commission's guidance in Case No. 2022-00311.³ Commission Staff suggested the Company provide Exhibit CRS-7 to the Commission using a thumb drive.

6. LG&E requests permission to deviate from 807 KAR 5:001, Section 8, as modified by the Commission's Order in Case No. 2022-00311, by not uploading Exhibit CRS-7 to the Commission's E-Filing System for the reasons stated above. Rather, the Company is requesting permission to produce the file to the Commission using a thumb drive as proposed by Commission Staff. As an additional means of providing Exhibit CRS-7 to Commission Staff, the Company will also provide a copy of the public attachment on its counsel's file sharing workspace that is used to provide access to confidential information. The Company has previously sought and been granted deviations for similarly structured workpapers.⁴

7. This request to deviate will not prevent the Commission from maintaining physical control of the case filings. Commission Filings Branch Staff and the Commission's Executive

² *Electronic Review of Electronic Filing Procedures in 807 KAR 5:001, Section 8(2), (4), and (6)*, Case No. 2022-00311, Order at 3 (Ky. PSC Oct. 6, 2022).

³ *Id.*

⁴ *Electronic Application of Kentucky Utilities Company and Louisville Gas and Electric Company for Certificates of Public Convenience and Necessity and Site Compatibility Certificates*, Case No. 2025-00045, Order at 3 (Ky. PSC Apr. 29, 2025); *Electronic Joint Integrated Resource Plan of Louisville Gas and Electric Company and Kentucky Utilities Company*, Order at 4 (Ky. PSC Dec. 4, 2024).

Director will have physical control of the document on the thumb drive with the ability to download the material to a secure Commission server.⁵

8. LG&E is making this request to deviate pursuant to 807 KAR 5:001, Section 22.

WHEREFORE, LG&E requests a deviation from the 807 KAR 5:001, Section 8(3) requirement that parties upload an electronic version of all papers filed in this case to the Commission's website using the Commission's E-Filing System and permission to submit Exhibit CRS-7 as proposed in this motion.

⁵ See *Electronic Joint Application of Kentucky Utilities Company and Louisville Gas and Electric Company for Certificates of Public Convenience and Necessity and Site Compatibility Certificates and Approval of a Demand Side Management Plan*, Case No. 2022-00402, Order at 3-4 (Ky. PSC Dec. 22, 2022); see also KRS 278.100 ("The executive director . . . shall be responsible for . . . maintaining the official records of commission proceedings[.]").

Dated: May 30, 2025

Respectfully submitted,
