AND ACCOUNTING TREATMENTS)	

STATUTORY NOTICE

Louisville Gas and Electric Company (“LG&E”), by counsel, informs the Kentucky Public Service Commission (“Commission”) that it is engaged in business as an operating public utility, principally furnishing retail electric and gas service in Jefferson County, Kentucky, and portions of 16 other counties in the surrounding area within Kentucky.

Pursuant to KRS 278.180, LG&E hereby gives notice to the Commission that, on May 30, 2025, it files herewith its application for adjustment of rates and proposes to adjust its rates in conformity with the tariff sheets (“the revised tariffs”) attached to the application at Tab 4 of the Filing Requirements and made a part hereof by reference.

LG&E proposes to change its existing rates, terms and conditions in its tariffs for electric and gas service, now on file with and approved by the Commission, by substituting the revised tariff sheets (which are filed as incorporated into the application that is included in this electronic filing) for the corresponding tariff sheets in its existing tariff and by amending the rates and charges or terms and conditions set forth in certain special contracts for electric and gas service.

Notice is further given that the stated effective date for the changes in rates is July 1, 2025, greater than thirty days from the date of filing, pursuant to KRS 278.180 and 807 KAR 5:011. LG&E files its application and provides this notice with the expectation that the Commission will

subsequently order the customary six-month suspension of the proposed rates pursuant to KRS 278.190. LG&E, therefore, requests that the Commission conduct its review during this suspension period and issue an order permitting new base rates to take effect for service rendered on and after January 1, 2026.

Notice to the public of the proposed rates is being given through various actions as prescribed by the Commission's Order of May 5, 2025 in this proceeding, including by posting a complete copy of the application in this case on LG&E's website and by exhibiting the notice to the public for inspection at 2701 Eastpoint Parkway, Louisville, Kentucky 40223. A Certificate of Completed Notice will be filed with the Commission in accordance with 807 KAR 5:011, Section 8 (3).

Additional information required by the Commission's regulations is contained in the application filed herewith and made a part hereof by reference.

Submitted to the Commission this 30th day of May, 2025.

Respectfully submitted,
