**KENTUCKY UTILITIES COMPANY
AND LOUISVILLE GAS AND ELECTRIC COMPANY'S
JOINT MOTION FOR DEVIATION**

Pursuant to 807 KAR 5:001, Sections 9(2)(b) and 22, Kentucky Utilities Company and Louisville Gas and Electric Company (collectively, the “Companies”) respectfully move the Kentucky Public Service Commission (the “Commission”) for an order granting the Companies approval to deviate from the notice requirements in the above-captioned proceedings because the Companies have substantially complied with the Commission’s notice regulations. In support of this motion, the Companies state as follows:

1. On July 31, 2025, the Commission issued an Order scheduling four public meetings across the Companies’ service territories for the purpose of receiving public comments on the proceedings. In the Order, the Commission scheduled a public comment hearing in Louisville, Kentucky on September 8, 2025. Ordering paragraph seven of the Commission’s Order directed

the Companies to publish notice of the public meetings in accordance with 807 KAR 5:001, Section 9(2).

2. Under 807 KAR 5:001, Section 9(2)(b)(2), “[i]f notice of a hearing is published by the applicant in a newspaper, it shall be published at least one (1) time and not less than seven (7) nor more than twenty-one (21) days prior to the hearing in a newspaper of general circulation in the areas that will be affected.”

3. On August 8, 2025, the Companies contacted Kentucky Press Service, Inc. (“Kentucky Press”), an organization that acts on behalf of newspapers of general circulation throughout the Commonwealth of Kentucky in which customers affected reside, to request that Kentucky Press arrange publication of the Companies’ public notice of the September 8, 2025 public meeting in the newspapers that serve the Companies’ service territories between August 18, 2025 and September 1, 2025. Kentucky Press directed each newspaper in writing to publish the Companies’ public notice between August 18, 2025 and September 1, 2025. A sample of the Companies’ public notice is attached to the Notarized Proof of Publication being filed herewith.

4. The Companies request a deviation from 807 KAR 5:001, Section 9(2)(b)(2). Despite the best efforts of the Companies and Kentucky Press, two of the newspapers in the Companies’ service territories failed to publish notice during the time frame set forth in 807 KAR 5:001 Section 9(2)(b)(2). Specifically, as shown in the Notarized Proof of Publication being filed herewith, the *Three Forks Tradition*, a newspaper of general circulation in Lee County, Kentucky and the *Hartford Ohio Co. Times-News*, a newspaper of general circulation in Ohio County, Kentucky failed to publish notice.

5. According to discussions with Kentucky Press, the *Hartford Ohio Co. Times-News* recently experienced a substantial staffing shortage that impaired the newspaper’s day-to-day

operations. As a consequence, the *Hartford Ohio Co. Times-News* failed to publish the Companies' notice during the time frame set forth in 807 KAR 5:001 Section 9(2)(b)(2).

6. Although the *Three Forks Tradition* failed to publish the Companies' notice, a second newspaper of general circulation in Lee County, Kentucky, the *Beattyville Enterprise*, published the Companies' customer notice on August 21, 2025.

7. As shown in the Notarized Proof of Publication being filed herewith, all other newspapers within the Companies' service territories published notice during the time frame set forth in 807 KAR 5:001 Section 9(2)(b)(2). This includes the two newspapers with the largest circulation in Kentucky, the *Lexington Herald-Leader* and the *Louisville Courier-Journal*, which both published the Companies' notice on August 20, 2025.

8. The purpose of the Commission's notice regulation is to ensure that the public has sufficient notice of a hearing. The Companies believe that their notice publication has fulfilled this purpose. Despite the deviations noted above, timely notice was published in all but two newspapers of general circulation in the Companies' service territories, including the two newspapers of largest circulation in Kentucky. The Companies' substantial compliance with the Commission's regulations has met the purpose of the notice requirement. As stated by the Kentucky Supreme Court:

Substantial compliance in regard to publication requirements has been authorized. . . . The purpose of the statute is to allow the public an ample opportunity to become sufficiently informed on the public question involved.¹

¹ *Conrad v. Lexington-Fayette Urban County Government*, 659 S.W.2d 190, 195 (Ky. 1983) (citing *Queenan v. City of Louisville*, 233 S.W.2d 1010 (Ky. 1950)). See also *Lyon v. County of Warren*, 325 S.W.2d 302 (Ky. 1959) (publishing notice of bond referendum outside statutory time limits, accompanied by media attention and other means, held sufficient notice to public).

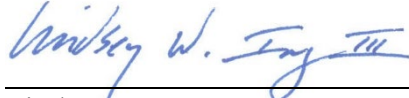

9. The Commission has authority to permit the Companies to deviate from the publication requirements pursuant to 807 KAR 5:001, Section 22.

10. Because the Companies are in substantial compliance with the publication requirements of 807 KAR 5:001, Section 9(2)(b), good cause exists for the Commission to permit the Companies to deviate from the requirement of the regulations and to accept the publication of the customer notice as sufficient.

WHEREFORE, Kentucky Utilities Company and Louisville Gas and Electric Company respectfully request that the Commission grant approval pursuant to 807 KAR 5:001, Section 22 to deviate from the notice requirements of 807 KAR 5:001, Section 9(2)(b) and to accept the publication of the customer notice as sufficient.
