# APPLICATION

# ORDER NEEDED ON OR BEFORE JUNE 5, 2025.

The Applicant, Ohio County Water District ("Ohio District"), files this Electronic Application pursuant to KRS 278.300, 807 KAR 5:001, and all other applicable laws and regulations, and requests that the Kentucky Public Service Commission (the "Commission") enter an Order authorizing Ohio District to issue certain securities in the approximate principal amount of \$5,800,000 (subject to adjustment of up to 10%), for the purpose of refinancing certain outstanding waterworks revenue bond anticipation notes of Ohio District. Ohio District respectfully requests that the Commission issue its Order on or before June 5, 2025. In support of this Application, and in compliance with the rules and regulations of the Commission, the District states as follows:

1. The District was established in accordance with the provisions of Chapter 74 of the Kentucky Revised Statutes pursuant to an Order of the County Judge/Executive of Ohio County,

which Order is on file in the County Court Order Books in the office of the Clerk of Ohio County, Kentucky. The District is now, and has been since its inception, regulated by the Commission, and all records and proceedings of the Commission with reference to the District are incorporated in this Application by reference. The District does not have any Articles of Incorporation due to the fact that it is a statutory entity.

- 2. The governing body of the District is its Board of Commissioners which is a public body corporate, with power to make contracts in furtherance of its lawful and proper purpose as provided for in KRS 74.070 and all applicable law and regulations.
  - 3. The mailing address and email address of the District is as follows:

Ohio County Water District c/o Mr. Eric Hickman, P.E., General Manager 124 East Washington Street Hartford, Kentucky 42347 Telephone: (270) 298-7704

Fax: (270) 298-9890

email: ehickman@ocwdky.org

- 4. A general description of the District's water system property, together with a statement of the original cost, is contained in the District's Annual Report for 2024 a copy of which is being electronically filed herewith as a separate document. Said Annual Report is incorporated herein by reference.
- 5. Ohio District proposes to borrow funds from the Rural Water Financing Agency (RWFA) pursuant to an Assistance Agreement (the "RWFA Loan"), in the estimated principal amount of \$5,800,000 (subject to adjustment of up to 10%) for the purpose of (i) refinancing and redeeming certain outstanding revenue bond anticipation notes of Ohio District designated as Ohio County Water District Waterworks Revenue Bond Anticipation Notes, Series 2023, dated October

- 13, 2023, in the original principal amount of \$5,000,000, bearing interest at the rate of 5.53% per annum (the "2023 Bans") currently held by Pinnacle Bank, Louisville, Kentucky ("Pinnacle") which 2023 Bans mature on September 13, 2025; and (ii) paying the costs of issuance of the RWFA Loan.
- 6. The proceeds of the 2023 Bans were used finance a project consisting of the rehabilitation of and improvement to Ohio District's raw water intake facilities (the "Project"). The Commission granted a Certificate of Public Convenience and Necessity (CPCN) authorizing construction of the Project pursuant to an Order issued on July 31, 2023 in Case No. 2023-00192.
- 7. The final numbers, including debt service, for the 2023 Bans is attached hereto as **Exhibit "A"**. The Resolution authorizing the 2023 Bans is attached hereto as **Exhibit "B"**.
- 8. The estimated debt service for the RWFA Loan is attached hereto as Exhibit "C". The principal amount, debt service schedule and estimated interest rates are subject to change because of market conditions. The final terms and details of the RWFA Loan may vary from the present assumptions based upon market conditions and other business judgment factors. Accordingly, Ohio District is requesting a 10% variable on the final principal amount of the RWFA Loan in order to provide enough funds to redeem the 2023 Bans and pay the costs of issuance.
- 9. The Sources and Uses of Funds to be obtained from the issuance of the RWFA Loan are detailed in **Exhibit "D"** attached hereto.
- 10. The final principal amount of the RWFA Loan will be adjusted based upon establishment of the final interest rates which will be known on or about the date of sale of the bonds being issued to fund the proposed RWFA Loan which sale is anticipated to occur in June 10, 2025. Once the RWFA bonds are sold, final financial figures will be determined and same will be submitted to the Commission in a timely manner.

- Ohio District represents that the RWFA Loan is in the public interest and is intended to accomplish the purpose of strengthening the financial condition of Ohio District by providing final permanent financing numbers that can be used for budgeting purposes. This is a lawful object within the corporate purposes of Ohio District's utility operations. The RWFA Loan is necessary, appropriate for, and consistent with the proper performance by Ohio District of its service to the public and will not impair its ability to perform that service.
- 12. Ohio District represents that it will, as soon as reasonably possible after the closing of the RWFA Loan, file with the Commission a statement setting forth the date of issuance of the RWFA Loan, the price paid, the fees and expenses incurred in the issuance of the RWFA Loan, and the terms and interest rates of the RWFA Loan.
- 13. The detailed Statement of Revenues, Expenses and Changes in Net Position, Statement of Net Position, and Statement of Cash Flows for the twelve month period ending on December 31, 2023 are attached hereto and incorporated herein by reference as **Exhibit** "E" respectively.

- 4. In accordance with KRS 58.150 and 56.513, the District has solicited proposals from at least three responsible lenders with respect to the interim loan to be evidenced by the Note, has determined that the best proposal is that of Pinnacle Bank (the "Bank"), and has determined to sell and issue the Note to the Bank.

The Board of Commissioners hereby declares the System, including the extensions, additions, and improvements to be constructed, to constitute a revenue producing public project, and said System shall continue to be owned, controlled, operated, and maintained by the District as a revenue producing public project pursuant to the Act, so long as the Note remains outstanding.

### Section 4. Authorization of Note.

In order to provide funds necessary to finance the Project and to defray all costs and expenses incident to the issuance of the Note on an interim basis, there shall be and there is hereby authorized to be issued the Ohio County Water District Waterworks Revenue Bond Anticipation Note, in a total principal amount not to exceed \$5,000,000, to be dated as of the date of delivery, in anticipation of the issuance by the Final Maturity Date of the Permanent Financing hereinafter identified. # Section 5. Interest Payable on Interest Payment Dates.

The Note shall bear interest from its date at the Interest Rate on the aggregate unpaid balance payable on each Interest Payment Date until payment in full of the Note.

On each Interest Payment Date, the District shall pay interest due on the Note to the Bank by check, wire transfer, or other means according to payment instructions given to the District by the Bank.

(b) a final and nonappealable determination by a court of competent jurisdiction, or (c) an opinion of counsel having a national reputation in the field of tax-exempt finance to the effect that interest on the Note is not excludable by the Bank from gross income for federal income tax purposes (a "Determination of Taxability"), the interest rate on the Note shall be increased to an interest rate that would result in the Bank's receiving the same after federal tax equivalent yield as if a Determination of Taxability had not occurred (the "Taxable Rate"). Such Taxable Rate shall be effective as of the date interest on the Note is determined to be includable in the Bank's gross income for federal income tax purposes, and all additional interest payable as a result of this subparagraph shall be due within thirty days of written demand by the Bank therefor. The District shall also pay the Bank any additional penalties, taxes, or interest thereon for which the Bank becomes liable as a result of a Determination of Taxability. The District shall pay such penalty, taxes, or interest within thirty days after receiving a written demand by the Bank therefor. The District's obligation to make the above payment under this paragraph shall be required regardless of whether the District is contesting or is offering or has offered in good faith, either directly or through the Bank, to contest any Determination of Taxability. However, if the District shall so contest the Determination of Taxability and shall be successful (after final appeal), then all payments made by the District in excess of the payments which would have been made under this paragraph shall be refunded to the District with interest thereon at the rate then borne by the Note.

# Section 6. Principal Amount and Maturities.

The total principal amount of the Note shall not exceed \$5,000,000. On the Final Maturity Date, or prior redemption or acceleration as provided herein, of the Note, the District shall pay to the Bank by check, wire transfer, or other means according to the payment instructions of the Bank the outstanding principal amount of the Note plus interest then due. Upon receipt of payment in full for the Note, the Bank shall immediately cancel the Note and return it to the District.

The principal of and interest on the Note shall be payable to the Bank, without exchange or collection charges, in lawful money of the United States of America. The Note shall be issued only as a single fully registered note without coupons in the Authorized Denomination, unless the District shall otherwise direct, shall be numbered R-1.

# Section 9. Payment of Consideration for Note.

The proceeds of the Note shall be paid by the Bank, as purchaser of the Note to the District for the payment of the Costs of the Project.

#### Section 10. Renewal Notes Permitted.

The District reserves the right to issue renewal notes as provided by law; and the proceeds of the sale of such renewal notes shall be applied to the payment and retirement of the Note and are hereby pledged therefor.

# Section 11. Further Documentation; Pledge of Instruments.

At any time and from time to time, upon the written request of the Bank and at the sole expense of the District, the District will promptly and duly execute and deliver such further instruments and documents and take such further action as the Bank may reasonably request for the purpose of obtaining or preserving the full benefits of the security provided by this Resolution of the rights and powers herein granted. Without limiting the generality of the foregoing, the District will execute and file such financing or continuation statements, or amendments thereto, and such other instruments, endorsements, or notices, as the Bank may deem necessary or desirable in order to perfect and preserve the liens created or continued or intended to be created or continued hereby. The District hereby authorizes the Bank to file any such financing or continuation statement without the signature of the District to the extent permitted. If any amount payable under or in connection with any of the collateral shall be or become evidenced by any promissory note, other instrument, or chattel paper, such note, instrument, or chattel paper shall be immediately delivered to the Bank, duly endorsed (without recourse) in a manner reasonably satisfactory to the Bank, to be held as collateral pursuant to this Resolution.

# Section 12. Pledge and Assignment of the District; Further Assurance; Completion of Project.

The District hereby agrees and covenants that it will, before the maturity date of the Note, take all proper and necessary action in accordance with law (a) to authorize, sell, and issue the Permanent Financing in an amount sufficient to provide for the payment when due of the principal of and interest on, and the retirement of, the Note and (b) to adjust, if necessary, its water service rates and charges so that the Permanent Financing may be issued.

The District does hereby irrevocably assign and pledge to the Bank and its successors or assigns, all right, title, and interest of the District in and to the proceeds of the Permanent Financing and all monies to be received from the debt issued pursuant to the Permanent Financing for the Project.

At any time and all times the District shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers, and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning, and confirming all and singular the rights, assets, and revenues herein pledged or assigned, or intended so to be, or which the District may hereafter become bound to pledge or assign.

The District hereby covenants and agrees to proceed expeditiously with and promptly complete the Project so that the Permanent Financing can be delivered on or prior to the Final Maturity Date.

#### Section 13. Note Form.

The Note shall be issued (and shall be executed by the indicated officials) in substantially the form set forth as **Exhibit A** attached hereto and incorporated herein by reference, with such necessary or appropriate variations, omissions, and insertions as may be permitted or required by this Resolution or advised by the District's bond counsel.

# Section 14. Execution of the Note.

The Note shall be executed on behalf of the District and signed with the manual or facsimile signature of the Chairman and attested by the manual or facsimile signature of the Secretary of the District.

# Section 15. Registration and Payment.

The Note shall be fully registered and transferred and assigned in accordance with the written authorized instruction of the Bank. The District shall establish and maintain a list of the registered owner of the Note. The District shall serve as its own registrar and paying agent for the purpose of maintaining the Note Register.

No transfer of the Note shall be valid unless made on the Note Register at the request of the registered owner in person or by his attorney duly authorized in writing, and similarly noted on such Note. The District shall not be required to transfer or exchange any Note on any date which is after the fifteenth day of the month preceding any interest payment date, or during any period beginning 15 days prior to the date selected by the District for redemption prior to maturity of the Note and ending on the date of mailing of notice of any such redemption. The person in whose name a Note is registered on the Note Register shall be deemed the owner thereof for all purposes.

#### Section 16. Conditions of Sale of Note.

Proposals to make the loan evidenced by the Note have been solicited on a limited basis from at least three institutions having knowledge and experience in financial and business matters who are capable of evaluating the merits and risks of the Note, who would not be purchasing the Note for more than one account, and who do not intend to resell the Note. In connection with such solicitation, the District has made available to such qualified purchasers, upon request, material financial and other information regarding the System, the District, and the Note in the District's

possession. The Bank, as purchaser of the Note, will be required to sign an "investment letter" in substantially the form of **Exhibit B** attached hereto.

The Chairman and Treasurer of the District (each, an "Authorized Officer" and together, the "Authorized Officers"), and each of item, are hereby authorized and directed to sell and to cause the issuance of the Note, the District having complied with the procedures contained in KRS 58.150 and KRS 56.513 by soliciting proposals for the loan to be evidenced by the Note from at least three responsible lenders. The Authorized Officers, and each of them, are further authorized to enter into and to execute on behalf of the District any and all agreements, certificates, opinions, instruments, and documents necessary or desirable to effectuate the sale and issuance of the Note and to approve any supplemental terms and provisions deemed to be necessary or desirable to carry out the intent and purposes of this Resolution.

# Section 17. Use of Proceeds of Note.

- (a) The District shall provide the Bank with a written request for an advance of Note proceeds signed by the Required Signatures in the form provided as **Exhibit C** hereto at least two Business Days before such advance is needed containing: (a) a request that the Bank make such advance in the amount and on the date specified therein; (b) a description of the Costs of the Project for which such advance is requested; and (c) a certification that the total amount of all advances to be received by the District pursuant to the Note and this Resolution will not exceed \$5,000,000. Note proceeds shall be deposited, together with other available funds of the District, as follows: (x) an amount sufficient to pay the costs of issuing the Note shall be deposited to the Costs of Issuance Fund, and used by the District to pay costs of issuance of the Note; and (y) the remainder shall be deposited to the Construction Fund and used to pay or reimburse the District for the Costs of the Project.
- (b) It shall not be necessary for the Engineer to approve the payment of the costs of issuing the Note, administrative costs, and the costs of any Equipment that is not permanently affixed to the real estate.
- (c) Pending disbursement for the authorized purposes, the proceeds of the Note shall be subject to a first and paramount lien and charge in favor of the owners of the Note and for their further security.
- (d) Whenever the Project is complete, any surplus then remaining in the Construction Fund may be transferred to the Sinking Fund, and the next payments for interest and principal shall be reduced by such amount, or, with the written consent of the Bank, may be used to pay or reimburse the costs of additions, extensions, and/or improvements to the Project and/or the purchase of Equipment for the Project.

#### Section 18. Creation of Funds.

(a) There is hereby created the "Ohio County Water District Waterworks Revenue Bond Anticipation Note Sinking Fund (the "Sinking Fund") into which there shall be paid as needed any interest payments due on the Note on the next Interest Payment Date. The Sinking Fund shall be created and established at the Bank.

Funds on deposit in the Sinking Fund may be invested in Permitted Investments, maturing or being subject to retirement at the option of the holder on such dates as the same may be needed for meeting interest and/or principal payments, and all such investments shall be carried to the credit of the Sinking Fund. All income earned from investment of moneys in the Sinking Fund (including the capitalized interest, if any, deposited therein) shall, as earned, be used to pay principal and interest on the Note.

No further payments need be made into the Sinking Fund whenever and so long as such amount of the Note shall have been retired that the amount then held in the Sinking Fund is equal to (or sufficient to defease) the entire amount of the interest and principal (and redemption premium, if any) that will be payable to and at the time of the retirement and/or maturity of all the Note then remaining outstanding.

- (b) There is hereby created the "Ohio County Water District Waterworks Revenue Bond Anticipation Note Costs of Issuance Fund (the "Costs of Issuance Fund"), which shall also be deposited with the Bank as and when needed, into which Costs of Issuance Fund there shall be set aside and deposited the issuance costs of the Note. Funds on deposit in the Costs of Issuance Fund shall not be invested.
- (c) There is hereby created the "Ohio County Water District Waterworks Revenue Bond Anticipation Note Construction Fund (the "Construction Fund") to be deposited with the Bank, into which there shall be set aside out of the proceeds of the sale of the Note funds necessary to pay or reimburse the District for the Costs of the Project.

Funds on deposit in the Construction Fund may be invested in Permitted Investments. All income earned from investment of moneys in the Construction Fund shall be kept in the Construction Fund and used to pay the Costs of the Project.

# Section 19. Compliance with Federal Arbitrage Regulations.

- (a) The Board of Commissioners covenants that the proceeds of the Note shall not be invested in investments which will produce a net adjusted yield in excess of the net interest cost (effective yield) of the Note authorized herein, if such investment would cause the Note to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code; provided, however, that the funds may be invested to whatever extent and whenever the Code permits same to be invested without causing the Note to be treated as "arbitrage bonds."
- (b) On the basis of known facts and circumstances in existence on the date of adoption of this Resolution, the Board of Commissioners certifies that it is not expected that the proceeds of the Note will be used in a manner that would cause the Note to be "arbitrage bonds." The Board of Commissioners covenants with the purchasers and/or owners of the Note authorized herein that (a) the Board of Commissioners will make no use of the proceeds of the Note that, if such use had been reasonably expected on the date of issuance of the Note, would cause the Note to be "arbitrage bonds," and (b) that the Board of Commissioners will comply with (1) all of the requirements of Section 148 of the Code; and (2) all of the requirements of the applicable Regulations thereunder, to whatever extent is necessary to assure that the Note will not be treated as "arbitrage bonds."

- (c) On the basis of known facts and reasonable expectations on the date of enactment of this Resolution, the Board of Commissioners certifies as follows:
  - (1) that there has been no overissuance of the Note;
  - that it is anticipated and covenanted that amounts on deposit in the Sinking Fund will be used within thirteen (13) months from the date of deposit for the payment of principal of and/or interest on the outstanding Note, and that, except for an amount equal to not more than the greater of (1) one-twelfth (1/12) of debt service requirements on the outstanding Note for the then ensuing year, or (2) one year's earnings on the Sinking Fund, such Sinking Fund will be depleted annually through such application for current debt service requirements of the outstanding Note; and
  - (3) that the Board of Commissioners has not been advised of any listing or contemplated listing by the Internal Revenue Service determining that the foregoing type of certification with respect to the Board of Commissioners's obligations may not be relied on.
- (d) The Board of Commissioners covenants and agrees that in the event it is subsequently determined by the Board of Commissioners upon the advice of Bond Counsel, that the funds created herein are subject to the "rebate requirements" on excess earnings in favor of the United States of America imposed by Section 148(f) of the Code and that such funds in fact generate earnings from "non-purpose investments" in excess of the amount which said investments would have earned at a rate equal to the "yield" on the Note, plus any income attributable to such excess, it shall rebate to the United States of America any such excess generated from such investments and remit such excess to the United States of America on or before five (5) years and 60 days from the date of issuance of the Note, and not later than once every five years thereafter until the final retirement of the Note; the last installment, to the extent required, to be made no later than sixty (60) days following the complete retirement of the Note. The Board of Commissioners further covenants to file any and all reports, if any, as may be required to be filed with the United States Government with regard to the liability or non-liability of the Board of Commissioners as to any such rebate requirements and to maintain records in regard thereto for the period of time required by applicable Treasury Regulations.
- (e) The Board of Commissioners reserves the right to make any investment permitted by state law if, whenever, and to the extent that Section 148 of the Code or the Treasury Regulations relating thereto shall be repealed, amended, or relaxed, or shall be held void by a final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, or relaxation, amendment, or decision would not, in the opinion of Bond Counsel, result in making the interest on the Note subject to Federal income taxation.
- (f) Prior to or at the time of delivery of the Note, the Chairman and/or the Treasurer are (is) authorized to execute the appropriate certification with reference to the matters referred to above, setting out all known and contemplated facts concerning such anticipated expenditures, and investments, including the execution of necessary and/or desirable certifications of the type contemplated by the applicable arbitrage regulations under the Code, in order to assure that interest

on the Note will be exempt from all Federal income taxes and that the Note will not be treated as "arbitrage bonds."

# Section 20. Bank Eligibility and Rebate Provisions.

The District hereby certifies that it does not reasonably anticipate issuing "qualified tax-exempt obligations" during the calendar year in which the Note are being issued in excess of \$10,000,000, and, therefore, the District does hereby designate the Note as "qualified tax-exempt obligations" pursuant to the provisions of Section 265(b)(3) of the Code.

#### Section 21. Covenant as to Audits.

The District agrees that so long as the Note is outstanding (i) it will cause audited financial statements of the financial affairs of the District to be made available to the Bank by October 31 after the end of each fiscal year and (ii) it will furnish to the Bank a copy of the District's annual budget in an electronic format within thirty (30) dayas of adoption by the Board of Commissioners of the District.

All expenses incurred in causing such financial reports to be made and copies distributed, shall constitute proper expenses incident to the issuance of the Note and shall be paid by the District as an expense of the Note in addition to the amounts otherwise required to be paid hereunder.

# Section 22. Default; Remedies.

- (a) The following shall be considered an "Event of Default" under this Resolution:
- (1) there shall be any default in the payment of the principal of or the interest on the Note, when due, or
- (2) the insolvency of, or the filing of a petition in bankruptcy by or against the District, or
- (3) the District shall fail or refuse to comply with the provisions of the Act, or shall default in the performance or observance of any other of the covenants, agreements or conditions on its part contained in the Resolution, any authorizing resolution of the District, or the Note, or the District shall default in the performance or observance of any covenant, other than payment of rental agreements or conditions on its part contained in the Resolution; and such failure, refusal, or default shall continue for a period of forty-five (45) days after written notice thereof by the Bank.
- (b) Upon the happening and continuance of any Event of Default, the Bank may proceed to protect and enforce its rights by such of the following remedies, being advised by counsel, shall deem most effectual to protect and enforce such rights:
  - (1) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Bank, including the right to require the District to enforce fully the Resolution and to charge, collect and fully account for the District revenues and to require

the District to carry out any and all other covenants or agreements with the Bank and to perform its duties under the Act;

- (2) by bringing suit upon the Note;
- (3) by action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Bank; and/or
- (4) by declaring the full principal amount of the Note outstanding, together with accrued interest, due and payable; provided that if all Events of Default have been cured, the Bank may annual such declaration and its consequences.

The District expressly waives any right to claim a trespass in connection with any such action.

In the event of default, the Note shall continue to bear interest after maturity at the interest rate applicable to the Note until the necessary funds are made available for the payment thereof.

In case of any action or any proceedings in any court to collect any sums payable or secured by this Resolution or to protect the lien herein of the Bank, or in any other case permitted by law in which attorneys' fees may be collected from the District or charged upon the proceeds of any Permanent Financing, bond and/or notes issued for the purpose of paying the principal of or interest on the Note, the District agrees to pay reasonable attorneys' fees incurred by the Bank.

(c) Upon the happening and continuance of any Event of Default (including, but not limited to, the failure to pay all amounts due on the Final Maturity Date) interest shall accrue at the Default Rate.

# Section 23. Rights of Bank.

Notwithstanding any other provisions herein contained, the Bank shall have all of the rights provided for hereunder to require the District to operate the Project and to charge whatever rents and rates are necessary for the services provided by such facilities and to levy such rents, subject to any limitations imposed by law, in order that all of the interest on and the principal of the Note shall be paid in full.

The Bank shall be secured to the full extent provided by law by a pledge of revenues of the District in accordance with the terms of the Act.

# Section 24. Resolution is Contractual With Bank.

The provisions of this Resolution and of any authorized supplemental resolution entered into prior to the delivery and payment of the Note to the Bank, shall constitute a contract between the District and the Bank, no change in the provisions of this Resolution or of any supplemental resolution shall be made in any manner except as herein provided until such time as the Note and the interest thereon have been paid in full; provided:

- (a) the District may adopt a supplemental resolution for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective or inconsistent provisions contained herein or in any proceedings pertaining hereto, provided no change may be made which would impair the security or interests of the Bank in any way, without the consent in writing of the Bank; and
- (b) the Bank shall have the right to consent to, and approve the adoption of ordinances, resolutions or other proceedings, modifying or amending any of the terms or provisions contained in this Resolution; provided, however, that no such modifications or amendments shall be made which will permit: (1) an extension of the maturity of the Note, or any parity notes, or (2) a reduction in the principal of the Note or the redemption premium or the rate of interest thereon, or (3) a preference or priority of any Note or parity notes over any other note or notes, or (4) a reduction in the percentage of the aggregate principal amount of the Note required to consent to any modification or amendment, or (5) impair in any way the rights of the Bank.

### Section 25. Signatures of Officers.

If any of the officers whose signatures or facsimile signatures appear on the Note cease to be such officers before delivery of the Note, such signatures shall nevertheless be valid for all purposes the same as if said officers had remained in office until delivery, as provided in KRS 61.390.

### Section 26. Terms of Note and this Resolution May be Revised Before Issuance.

The District reserves the right, prior to the issuance of the Note, to amend this Resolution as to the date, amount, maturities, redemption premiums and other provisions of the Note, consistent with market conditions and other pertinent factors at the time of such issuance.

### Section 27. Severability Clause.

If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

#### Section 28. Captions of Clauses.

The captions and headings of this Resolution are for convenience only and are not to be construed as part of this instrument nor as defining or limiting in any way the scope or intent of the provisions hereof.

### Section 29. Effective Immediately Upon Adoption.

This Resolution shall take effect and be effective immediately upon its adoption.

The Note constitutes a limited obligation of the District and the income and revenues of the System are irrevocably pledged to the prompt payment of the principal of, premium, if any, and interest on the Note when the same become due, but on a basis subordinate and subject in all respects to the prior and superior pledges, liens, rights and contractual commitments securing the District's outstanding (i) loan from the Kentucky Infrastructure Authority ("KIA") to the District, dated August 1, 2009, for Project Number F08-08, (ii) loan from KIA to the District for Project F15-069, maturing June 1, 2037, and (iii) loan in the amount of \$7,335,000, dated January 7, 2020, to the District from the Kentucky Rural Water Finance Corporation Public Projects Refunding Revenue Bonds (Flexible Term Program), Series 2020A.

In the Resolution, the District assigns and pledges to the Bank, all right, title and interest of the District in and to the proceeds of the Permanent Financing and all monies to be received from the debt issued pursuant to the Permanent Financing for the Project.

Reference is hereby made to the Resolution for a more particular description of the terms and conditions under which the Note is issued, a more specific identification of the Project, the revenues pledged for the payment of the Note, the nature and extent of the security, the rights and duties of the District and the rights of the Bank with respect to such security.
