

**KENTUCKY-AMERICAN WATER COMPANY  
CASE NO. 2025-00122  
ATTORNEY GENERAL'S FIRST REQUEST FOR INFORMATION**

---

**Witness: Dominic DeGrazia**

33. Refer to the Direct Testimony of Dominic DeGrazia ("DeGrazia Testimony") at 10.
- a. Confirm that the current QIP Rider charge is 11.06%. If not confirmed, provide the current QIP Rider charge.
  - b. Confirm that the QIP Rider charge as proposed by Kentucky American in Case No. 2025-00099, is 11.09%
  - c. Provide the Commission-approved QIP Rider charge in Case No. 2025-00099. Consider this a continuing request.
  - d. Explain what is meant by the statement, "[r]evenue at present water rates in the forecasted test year reflects an 8.14 percent QIP Rider charge representing the amount authorized in the QIP 6 Case No. 2024-00272, excluding the balancing adjustment of 2.92% and 0.03% effective until December 31<sup>st</sup>, 2025."

**Response:**

- a. The current QIP Rider Charge is 11.09% effective July 1<sup>st</sup> as proposed and approved in Case No. 2025-00099.
- b. Please refer to response for part a.
- c. The commission approved the QIP Rider Charge of 11.09% in Case No. 2025-00099.
- d. The 8.14 percent reflects the QIP Rider charge authorized in QIP 6 Case No. 2024-00272, excluding the temporary balancing adjustments of 2.92% and 0.03% which are only effective through December 31, 2025. These adjustments are not included in the forecasted test year because they will no longer be in effect at that time and the future balancing adjustments beyond December 31, 2025 are unknown at this time.

**August 8, 2025 Supplemental Response:**

- c. Regarding subpart c. being a continuous request, please note that the original response should be considered the final response for this question as the Commission did approve the rate of 11.09% stated in the original response.
