Re: Case No. 2025-00131

In the Matter of the Electronic Investigation to Consider Deviation of Regulation 807 KAR 5:041, Section 7, Voltage Surveys and Records

Dear Ms. Bridwell:

In accordance with the Commission's June 9, 2025 Order (Order) in this proceeding, Duke Energy Kentucky, Inc. (Duke Energy Kentucky or the Company) respectfully requests that the matter be submitted for decision based upon the existing administrative record. Commission Staff did not issue any further requests for information after the initial request appended to the Order and the deadline for discovery has now passed. As such, Duke Energy Kentucky believes the issues are straightforward and have been adequately addressed through written discovery. Therefore, the Company does not believe there is a need to conduct an informal conference in this proceeding and the matter can now be decided by the Commission. If, however, the Commission determines an informal conference should occur, Duke Energy Kentucky reserves its right to fully participate in such a conference.

I certify that the electronically filed document is a true and accurate copy of the original document and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means. Pursuant to the Commission's July 22, 2021 Order in Case No. 2020-00085, no paper copy of this filing will be made.

Please feel free to contact me should you have any questions concerning this matter.

Sincerely,

/s/Larisa M. Vaysman
