Kentucky Power Company's Request To Submit Matter For Decision On The Record

In accordance with the Public Service Commission of Kentucky's ("Commission") June 9, 2025 Order, Kentucky Power Company ("Kentucky Power" or the "Company") respectfully requests that this matter be submitted for decision on the record. In support of its request, Kentucky Power states as follows:

The Commission issued its procedural schedule in this case by order dated June 9, 2025 (the "Procedural Schedule"). The Procedural Schedule provides that initial requests for information to the utilities must be filed by June 13, 2025, and utilities' responses to those data requests must be filed by June 27, 2025. The Procedural Schedule provides that supplemental data requests to the utilities must be filed by July 18, 2025, and utilities' responses to those data requests must be filed by August 1, 2025. No supplemental data requests were issued on July 18, 2025. The Procedural Schedule provides that Kentucky Power may request an informal conference or submit a request for this matter to be decided based upon the written record by August 8, 2025.

Given that no supplemental data requests were issued on July 18, 2025, the remaining deadlines in the Procedural Schedule are redundant. Therefore, Kentucky Power respectfully requests that this matter be submitted for decision on the record as of the date of this filing.

However, the Company will defer to the Commission if the Commission or Commission Staff determine that an informal conference is needed or would be beneficial in aiding in the

handling or disposition of this case. Kentucky Power also would not object if any other utility requests an informal conference. In either event, the Company would be amenable to attending an informal conference.

Respectfully submitted,
