**Re:    *McCreary County Water District***  
***Case No. 2025-00135***

Dear Ms. Bridwell:

Embedded in the Application filed on May 16, 2025 in the above-referenced matter was an Excel workbook (002\_RateStudy.xlsx) that contained a spreadsheet labeled "Wages" that inadvertently identified the names and wages of existing McCreary County Water District employees. To protect those employees' privacy, the District encloses a redacted version of the Application, which is identical to the original in all respects except that employee names have been redacted from the spreadsheet at issue, and requests the redacted version be substituted for the originally filed Application.

Please contact me if Commission Staff has any questions regarding this request.

Sincerely,

Stoll Keenon Ogden PLLC
