**Re: Case No. 2025-00143**  
**North Nelson Water District – Purchased Water Adjustment**

Dear Ms. Bridwell:

On June 2, 2025, North Nelson Water District (“North Nelson”) filed an Application for a Purchased Water Adjustment (“PWA”) due to a rate increase from Louisville Water Company. On June 3, 2025, Commission Staff issued a letter indicating the Application had no deficiencies and had been accepted for filing.

North Nelson has discovered that it failed to include its wholesale customer, the city of Bardstown, Kentucky (“Bardstown”) on its Customer Notice (Exhibit E) filed with its PWA, and did not include with its Application a revised tariff sheet setting forth the revised wholesale rate to be charged to Bardstown (Appendix A to North Nelson’s Resolution that appears as Exhibit F).

I am providing a revised Exhibit E, Customer Notice, which includes the wholesale rate to be charged to Bardstown and a second page of Appendix A to Exhibit F, the revised tariff sheet reflecting the wholesale rate to be charged to Bardstown.

Pursuant to 807 KAR 5:001, Section 4(5), North Nelson requests that the Commission find that the filing of these documents relates back to the June 2, 2025 filing of its Purchased Water Adjustment.

Please Contact me if you have any questions or need additional information.

Sincerely,
