Case No. 2025-00145

Dear Ms. Bridwell,

On behalf of the McKinney Water District, we respectfully request that the Commission expedite the review and approval of the pending rate study in **PSC Case No. 2025-00145**.

This request arises directly from the **Kentucky Infrastructure Authority (KIA) Loan Fund Conditional Commitment Letter (F21-013)**. Under Standard Condition Item No. 5:

"Any required adjustment in utility service rates shall be adopted by ordinance, municipal order, or resolution by the appropriate governing body of the Borrower. Public hearings as required by law shall be held prior to the adoption of the service rate ordinance, order, or resolution. Any required approvals by the Kentucky Public Service Commission shall be obtained."

Importantly, KIA has indicated that it will not advance funds until a final Commission order is issued.

Given the reliance of this project on KIA financing, expedited Commission action is critical to avoid delays in construction. Without timely resolution, the Borrower risks significant financing and scheduling setbacks, jeopardizing essential infrastructure improvements and the public benefits they provide.

We appreciate the Commission's prompt consideration of this request.

Sincerely,

Marty Spears, PE
