RE: Proposed Purchase Water Adjustment
Case # 2025-00170

To Whom It May Concern:

Our suppliers, The Louisville Water Company (LWC) and Shelbyville Municipal Water (SMW), have informed West Shelby Water (WSW) of upcoming increases in their wholesale water rates. The rate increase from LWC will take effect on July 1, 2025, and from SMW on June 19, 2025.

The West Shelby Water District respectfully requests that the Public Service Commission approve an adjustment to our rates in accordance with 807 KAR 5:068, Purchased Water Adjustments for Water Districts. WSW's Commission approved this rate adjustment during its regularly scheduled monthly meeting on Thursday, March 20, 2025. The meeting Minutes are included in this filing as Exhibit G. WSW requests that the revised rate be made effective as of July 15, 2025.
