STATUS UPDATE

Barrelhead Solar, LLC (“Barrelhead Solar”), by counsel, pursuant to Mitigation Measure 5 of the Siting Board’s April 1, 2026 Order submits the following status update.

During this reporting period, Barrelhead Solar has not completed any additional permitting or developmental studies or activities beyond those previously completed. Barrelhead remains engaged in obtaining necessary permits and development activities to construct the project, however, at this time, no determination has been made regarding the project’s schedule for construction or commencement of operations. As such, no material changes to report have occurred regarding the project’s permitting or construction status.

Dated: October 1, 2026
