

## **REPORTING**

**Case # 2025-00182**

**Paragraph 4, Items a-d**

**Reporting for NINTH 45-day period**

**DATE RANGE: June 3 – July 16, 2026**

### **Breakdown of Expenditures, Funding, Reimbursements, Financing and Progress Report:**

#### **Tornado Damage Repairs – Water Tower and Chlorine Pump House**

**Date:** July 16, 2026

**Submitted by:** Gary Sheffer, Manager

#### **P4 / Item a: Specific breakdown of expenditures.**

Disbursements: \$0

Account Summary for GL # 349.07 'Construction in Process' that we are using solely to track expenses related to the May 16, 2025, tornado. This summary includes the vendor, a brief description of service, and amount disbursed within this 45-day period. **For this period, there were no disbursements.**

#### **P4 / Item b: Specific breakdown of funding, including reimbursements.**

Receipts: \$0

Included on the Account Summary for GL # 349.07 'Construction in Process', are any monies received. **For this period, there were no monies received.**

#### **P4 / Item c: If necessary, financing, even if it does not require Commission approval pursuant to KRS 278.300.**

This does not apply for this reporting period as no financing was sought.

**P4 / Item d: Progress reports reflecting any actions taken to rebuild or repair the water tower or the chlorine pump house.**

The following actions have been taken to address the damage sustained to the water tower and chlorine pump house from the May 16, 2025, tornado since the last reporting period.

**THERE HAS BEEN NO PROGRESS SINCE LAST REPORT.**

**STILL WAITING FOR REPAIRS TO BE MADE.**

**1. Water Tower**

- We have settled with the insurance company and have received payment (less the “temporary holdback of funds”).
- We have scheduled and are awaiting the repairs to be made.

**2. Chlorine Pump House**

- COMPLETE

We will continue to coordinate with the insurance provider and contractors to ensure timely completion of all remaining work.
