Re: *Electronic Purchased Gas Adjustment Filing of Kentucky Frontier Gas, LLC* - Case No. 2025-00207

Dear Ms. Bridwell:

Enclosed, please find for filing, Kentucky Frontier Gas, LLC's Purchased Gas Adjustment Application, and supporting documents in the above referenced matter. The supporting documents include a progress update to the Amended Refund Plan, Case No. 2023-00427. Kentucky Frontier estimates that refunds will be completed by May 2026. Please note that this is being filed pursuant to the Commission's March 28, 2024 Order in Case No. 2023-00067, *Electronic Application for Revised Quarterly Gas Cost Recovery Schedules for Kentucky Frontier Gas, LLC*, stating

Therefore, the Commission finds that Kentucky Frontier should be granted an interim increase to its line loss limiter from 5 percent to 7.5 percent for a period of up to two years. The deviation should be included in the next GCR rate report filed by Kentucky Frontier with a proposed effective date of August 1, 2024, and should remain in effect up to and including the GCR rate report with the 12-month reporting period ended April 30, 2026.

This is to certify that the electronic filing has been transmitted to the Commission on June 27, 2025 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means. Pursuant to the Commission's July 22, 2021 Order in Case No. 2020-00085 no paper copies of this filing will be made.

Please do not hesitate to contact me with any questions or concerns.

Sincerely,

KENTUCKY FRONTIER GAS, LLC
