

MEMORANDUM OF UNDERSTANDING

The Office of Rate Intervention for the Office of the Kentucky Attorney General ("OAG") and Kentucky Industrial Utility Customers ("NUCOR") agree to and enter into this Memorandum of Understanding ("MOU") effective the 8th day of August, 2025;

WHEREAS, the parties intend to hire expert witnesses to assist them in Public Service Commission Case No. 2025-00208;

WHEREAS, the parties believe that their interests are sufficiently aligned for the purposes of these matters such that utilizing the same witnesses will not present a conflict and will result in cost savings for both parties;

Therefore, the OAG and NUCOR agree as follows:

1. Experts utilized by the parties shall submit an itemized invoice to OAG on at least a monthly basis consistent with a contract to be executed between OAG and the expert(s) ("expert contract"). The expert contract shall be for 50% of the total cost. Nucor shall also contract with the expert witnesses and shall be responsible for the other 50% of the total cost.
2. OAG shall provide payment to the experts in fulfillment of its obligations under the expert contract.
3. If either OAG or NUCOR elects to settle its claims or part of its claims in the aforementioned case(s), such settlement shall not preclude the other party from utilizing any and all testimony and work product developed by the experts retained by OAG and NUCOR for use in the cases.
4. If the expert(s) contracted by the OAG and NUCOR exhaust the funds allowed by the expert contract, the parties shall make reasonable efforts to agree on an amendment to the contract to the extent necessary for the prosecution of the case.
5. Disputes related to this agreement shall be governed by Kentucky law.
6. Any disputes related to this agreement that cannot be resolved by agreement shall be resolved by the Franklin Circuit Court.
7. Either OAG or NUCOR may terminate its participation in this Memorandum upon thirty days written notice to the other party. In the event that either OAG or NUCOR elects to terminate the agreement, it shall remain responsible for expert witness fees accrued up to and including those accrued during the thirty-day notice period. Upon termination of the Memorandum, either party may retain any expert witness previously covered by this Memorandum.
8. This Memorandum represents the entire understanding of the parties with respect to the matters discussed herein and supersedes all of understanding, written or oral.

Pursuant to KRE 503 (d)(5), the parties herein recognize that communications between them pertaining to the aforementioned case(s) are privileged from disclosure to other parties or to the Commission. Upon any discovery request from any other party or Commission Staff seeking such privileged communications, the parties shall assert this privilege and refuse to disclose such communications.
