RE: Case No. 2025-00226
Cumberland County Water District
Amended Response to Second Request for Information Question #2b

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is Cumberland County Water District's amended response to Kentucky Public Service Commission staff's second Request for Information question #2b.

After submitting its original response to the second Request for Information, Cumberland District continued to research the billing rates charged by City of Albany and determined that it was appropriate to amend their response to include information subsequently provided by City of Albany.

It appears that City of Albany increased its wholesale rate since 2009 without submitting an updated tariff sheet to Kentucky Public Service Commission.

Sincerely,

A handwritten signature in blue ink that reads "Robert K. Miller".
