KENTUCKY-AMERICAN WATER COMPANY’S
RESPONSE TO JUNE 30, 2026 ORDER

The Commission’s June 30, 2026 Order in this matter granted in part and denied in part Kentucky-American Water Company’s (“KAWC”) July 11, 2025 Petition for Confidential Treatment for certain portions of Exhibit A that was attached to KAWC’s Application in this matter. The denial was for the identification of vendor names in Exhibit A. The Commission’s Order recognized that vendor names may be included in various charts that do contain other confidential information and that it may not be possible to separate the vendor names from other confidential information in those charts. Ordering Paragraph 11 of the Commission’s Order directs KAWC to file a revised version of Exhibit A, reflecting as unredacted the vendor names the Commission determined are not confidential. KAWC hereby complies with the June 30, 2026 Order by filing the attached revised Version of Exhibit A disclosing publicly the vendor names where possible in Figures 17 and 22 of Exhibit A. By e-mail to the Commission, KAWC will also submit the revised version of Exhibit A with the information for which confidential treatment was granted highlighted in yellow.

Respectfully submitted,
