ATTORNEY GENERAL’S STATEMENT REGARDING HEARING

The intervenor, the Attorney General of the Commonwealth of Kentucky, through his Office of Rate Intervention (OAG), in compliance with the Commission’s August 6, 2025 procedural schedule, recommends that this case be submitted for a final ruling upon the record.

In support of this recommendation, the OAG notes that both Commission Staff and the OAG engaged in two rounds of discovery in this matter, to which Kentucky-American Water Company (KAW) provided responses in the record. Moreover, the OAG on October 1, 2025 submitted the written direct testimony of Larry Holloway, P.E., and corrected testimony on October 14, 2025, in which he opined that KAW’s proposal to replace its existing inventory of Automatic Meter Reading (AMR) capable meters with Advanced Metering Infrastructure (AMI) capable meters over a 10-year period is a reasonable approach.

For these reasons, OAG believes the record provides adequate and sufficient evidence for the Commission to issue a final ruling. However, if the Commission should decide to hold an evidentiary hearing, OAG is prepared to participate.

Respectfully submitted,

RUSSELL COLEMAN
ATTORNEY GENERAL
