CONVENIENCE AND NECESSITY FOR THE CONSTRUCTION	)	
OF SUB DISTRICT O WATER MAIN EXTENSION, FINANCING	)	
AND SURCHARGE	)	

**RESPONSE TO NOTICE OF FILING DEFICIENCY**

Northern Kentucky Water District (“NKWD”), by and through counsel, submits its response to Commission Staff’s July 30, 2025 Letter providing notice of a filing deficiency:

1.     **807 KAR 5:001 Section 18(1)(g): If the applicant is a water district, a copy of the applicant’s written notification to the state local debt officer regarding the proposed issuance.**

**RESPONSE:** NKWD states in its Application paragraph 20, subsection f., that the state debt officer has not been notified because no permanent debt is being issued. While this matter does not have any permanent financing, due to the highly unique nature of sub districts, it has been past practice to submit information related to financing in an abundance of caution. *See In Re: Electronic Application of Northern Kentucky Water District for a Certificate of Public Convenience and Necessity for the Construction of Sub District HB Water Main Extensions, Financing and Surcharge*, Case No. 2024-00304. To the extent necessary, NKWD requests a deviation from the aforementioned requirements pursuant to 807 KAR 5:001, Section 22 for the aforementioned reasons.

2.     **807 KAR 5:001 Section 8(4)(b): Submitted PDF documents must be bookmarked to distinguish section of the paper.**

**RESPONSE:** NKWD submits the enclosed Application and Exhibits that have been revised to include

those bookmarks.

3. **KRS322.340: Engineering plans, specifications, drawings, plats and reports not signed.**

**RESPONSE:** NKWD submits the enclosed Application and Exhibits that have been revised to include the missing signatures.

NKWD believes that the information provided contains all requirements of the regulations. To the extent that the information provided does not adequately address some portion of the regulations cited, NKWD requests a deviation.

RESPECTFULLY SUBMITTED:
