TAB 1 – APPLICANT INFORMATION

Requirement: *KRS 278.706(2)(a) The name, address, and telephone number of the person proposing to construct and own the merchant electric generating facility.*

KRS 278.714(2)(a) The name, address, and telephone number of the person proposing construction of the nonregulated electric transmission line or the carbon dioxide transmission pipeline.

Crab Run Solar Project, LLC (Crab Run Solar or Applicant), a wholly owned subsidiary of Savion, LLC (Savion), is proposing to construct and operate the Crab Run Solar Project, which includes a solar-powered electric generating facility (the Project or the Facility). In the United States, Savion is responsible for 29 successful utility-scale photovoltaic (PV) and energy storage projects across 16 states, which provide power for its utility-scale customers. Savion is one of the leading providers of clean, renewable power in the U.S., with more than 4 gigawatts (GW) of owned and controlled solar power facilities across the country.

The address and telephone number of the Applicant are as follows:

Name: Crab Run Solar Project
Address: Attn: Jeannine Johnson
