Comes now Applicant Crab Run Solar Project, LLC (“Crab Run” or “Applicant”), by and through counsel, pursuant to KRS 61.878, 807 KAR 5:001, Section 13, and 807 KAR 5:110, and seeks confidential treatment of certain information, specifically the trade secret expected capital expenditure for the subject solar project. That information is located in Attachment H, a redacted version of which has been filed on the public docket and an unredacted version emailed to the Siting Board.

Relatedly, KRS 61.878(1)(a) provides for protection of “[p]ublic records containing information of a personal nature,” and KRS 61.878(1)(c)(1) provides for confidential treatment of:

Records confidentially disclosed to an agency or required by an agency to be disclosed to it, generally recognized as confidential or proprietary, which if openly disclosed would permit an unfair commercial advantage to competitors of the entity that disclosed the records.
