RE: Case No. 2025-00293
Meade County Water District
Alternative Rate Filing Adjustment

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is Meade County Water District's application for an adjustment to its water rates. This ARF Application is being filed pursuant to 807 KAR 5:076 and uses calendar year 2024 as the test year with appropriate adjustments to normalize revenues and expenses.

The Attorney General's Office of Rate Intervention has also been provided a copy of this application by electronic mail.

Please note that this application is occurring at the same time for Meade County Water District as a USDA/RD Loan application for the 2023 Water System Improvements Projects. The estimated debt service for that loan has been included in this rate application.

Sincerely,

Robert K. Miller
