Re: Rowan Water, Inc
Purchase Water Adjustment
Case No. 2025-00308

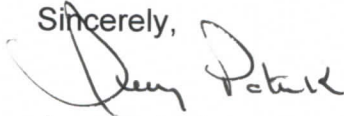

Dear Ms. Bridwell:

Rowan Water Inc. received a deficiency letter in the above mentioned application. The Board minutes provided in the application were not signed. The Rowan Water, Inc.'s board minutes will not be signed until the reading of the minutes and acceptance of the minutes at October's regular board meeting.

I provide the following statements to cure the noted application deficiency.

The Rowan Water, Inc. Board of Directors met on September 10, 2025. The Board was informed that the wholesale water rate from Morehead Utility Plant Board increased effective July 1, 2025. The Board voted on the matter and approved of applying to the PSC for a Purchased Water Adjustment, due to the increase in our suppliers' wholesale rate.

Sincerely,

Jerry Patrick
General Manager
