Purchased Water Adjustment Application – 807 KAR 5:068
Case No. 2025-00310

Dear Executive Director Bridwell,

On behalf of my client, Jessamine-South Elkhorn Water District, I am submitting a revised pass-through application – a KAR subsection 068 purchased water adjustment based on the City of Nicholasville's rate increase. The initial application was returned with a deficiency letter, and the attached materials are responsive to that letter, correcting errors of the first application. Accompanying this letter are a PSC application form, Nicholasville's increase notice, calculations showing how the adjustment amount was reached, a schedule of rates as affected by the adjustment, and the District's Board minutes, whereon the Board authorized filing this application and passing through the increase.

Please reach out – 859.885.3393 or Henry@SmithLawOffice.net – with any questions, and thank you for your consideration.

Sincerely,

/s/ Henry E. Smith
