

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

**ELECTRONIC APPLICATION OF)
MOUNTAIN WATER DISTRICT FOR AN) CASE NO. 2025-00327
ADJUSTMENT OF ITS RATES FOR WATER)
SERVICE)**

**WAIVER OF RIGHT TO HEARING AND
MOTION TO SUBMIT MATTER FOR DECISION WITHOUT HEARING**

Pursuant to 807 KAR 5:001, Section 5(1), Mountain Water District (“Mountain District”) hereby waives its right to a hearing in the above-styled matter and moves that the record in this proceeding be closed, and this matter stand submitted for decision, except to permit the filing of a final report on rate case expense no later than March 31, 2026.

In support of its Motion, Mountain District states:

1. There are no intervenors in this matter.
2. Mountain District has filed an application in this matter consisting of 809 pages.
3. In this proceeding, Commission Staff has served upon, and Mountain District has responded to, three extensive requests for information that cover every aspect of Mountain District’s operations during the test period.
4. The existing record is well developed and more than adequate for the Commission to evaluate and render decisions upon Mountain District’s application for rate adjustment. Mountain District has extensively publicized the filing of its application and the public has had a lengthy opportunity to comment on the proposed rates. A hearing in this matter, therefore, is unnecessary and rendition of a decision on the application without a hearing will not materially affect or prejudice the rights of Mountain District or the public.

5. Dispensing with a hearing in this matter will result in significant savings in time and resources for Mountain District and the Commission and expedite a final decision in this matter.

6. If the Commission grants the motion to cancel the hearing, Mountain District requests that the record remain open only for the purpose of allowing the submission of final reports on rate case expenses no later than March 31, 2026.

WHEREFORE, Mountain District requests that the record in this proceeding be closed and this matter be considered submitted for decision based upon the existing case record, except to permit the submission of a final report on rate case expenses no later than March 31, 2026.

Dated: March 2, 2026

Respectfully submitted,
