**CASE NO.
2025-00330**

**JOINT APPLICANTS' MOTION
FOR CLARIFICATION AND INFORMAL CONFERENCE**

By and through the undersigned counsel, and pursuant to 807 KAR 5:001, Section 9(4), Grayson County Water District ("Grayson County District") and Edmonson County Water District ("Edmonson District") (collectively "Joint Applicants") in response to the Commission's July 2, 2026 Order denying Joint Applicants' Application without prejudice and consolidating the record of this

proceeding with the record of Case No. 2025-00329,¹ state the following:

1. The Commission's July 2, 2026 Order directs the Joint Applicants to:
". . . further evaluate the financing associated with the proposed transaction, obtain the necessary RD approvals and supporting financing documentation, and re-file their application with the appropriate information for the Commission to fully evaluate the proposal."²

2. Joint Applicants respectfully request that the Commission schedule an informal conference as soon as practicable so that they can discuss with Commission Staff what information, if any, may be required to fully evaluate a proposed transfer between Edmonson District and Grayson County District beyond the financing documentation noted above.

3. In making this request, Joint Applicants readily acknowledge that Commission Staff cannot speak on behalf of the Commission. The Commission speaks only through its Orders. However, the Joint Applicants would benefit from Commission Staff's opinion as to what information might be appropriate under the circumstances. This could conserve time and other valuable resources for the Commission as well as the Joint Applicants.

¹ *Electronic Joint Application of Green River Valley Water District and Edmonson County Water District for an Order Approving the Transfer of Ownership of Edmonson County Water District's Hart County System and the Wax Water Treatment Plant and Approving Green River Valley Water District's Assumption of Certain Debt Obligations of Edmonson County Water District Pursuant to the Provisions of KRS 278.020, KRS 278.300, AND 807 KAR 5:001, Case No. 2025-00329, Order (Ky. PSC July 2, 2026).*

² Order at 3.

4. Joint Applicants also respectfully clarify that they have not proposed that Grayson County District assume any of Edmonson District's existing indebtedness.

5. Because the record of Case No. 2025-00329 and the record of this proceeding have been consolidated, Joint Applicants reasonably anticipate that Green River Valley Water District will also file a Motion for an Informal Conference. Should the Commission find it beneficial and efficient to conduct a joint informal conference involving parties from both proceedings, Joint Applicants have no objection whatsoever to that arrangement.

WHEREFORE, on the basis of the foregoing, Joint Applicants respectfully request that the Commission grant this Motion and schedule an informal conference for the purpose of Commission Staff and Joint Applicants discussing what information is potentially sufficient to fully evaluate a proposal such as the one presented in this proceeding.
