

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION OF THE APPLICATION OF THE)	
FUEL ADJUSTMENT CLAUSE OF KENTUCKY)	CASE NO.
UTILITIES COMPANY FROM NOVEMBER 1, 2022)	2025-00340
THROUGH OCTOBER 31, 2024)	

PETITION OF KENTUCKY UTILITIES COMPANY
FOR CONFIDENTIAL PROTECTION

Kentucky Utilities Company (“KU”), pursuant to 807 KAR 5:001, Section 13, respectfully petitions the Commission to classify as confidential and protect from public disclosure certain information provided by KU in response to Question No. 12 of the Commission Staff’s Second Request for Information, as contained in the Commission’s Order dated February 6, 2026. The information for which KU requests confidential treatment (“Confidential Information”) pertains to bid analysis information. In support of this Motion, KU notes that the Commission has treated this information as confidential in KU’s recent six-month and two-year fuel adjustment clause review proceedings. KU also notes that Question No. 12 seeks discussion of the exhibit that KU produced pursuant to a Petition for Confidential Protection in response to Question No. 4 in the Commission’s First Round of Data Requests in this proceeding.

In further support of this Petition, KU states as follows:

1. Under the Kentucky Open Records Act, the Commission is entitled to withhold from public disclosure information confidentially disclosed to it to the extent that open disclosure would permit an unfair commercial advantage to competitors of the entity disclosing the

information to the Commission. See KRS 61.878(l)(c). Public disclosure of the information identified herein would, in fact, prompt such a result for the reasons set forth below.

2. Disclosure of the factors underlying KU's bid analysis/selection process would damage KU's competitive position and business interests. This information reveals the business model KU uses -- the procedure it follows and the factors/inputs it considers -- in evaluating bids for coal supply. If the Commission grants public access to the information requested in Question No. 12, potential bidders could manipulate the bid solicitation process to the detriment of KU and its ratepayers by tailoring bids to correspond to and comport with KU's bidding criteria and process. As noted above, the Commission has treated such information as confidential in the past, including KU's most recent two-year fuel adjustment clause review proceeding¹.

3. The information for which KU is seeking confidential treatment is not known outside of KU, is not disseminated within KU except to those employees with a legitimate business need to know and act upon the information, and is generally recognized as confidential and proprietary information in the energy industry.

4. KU does not object to limited disclosure of the confidential information described herein, pursuant to an acceptable protective agreement, to intervenors with legitimate interests in reviewing the same for the purpose of participating in this case.

5. If the Commission disagrees with this request for confidential protection, however, it must hold an evidentiary hearing (a) to protect KU's due process rights and (b) to supply the Commission with a complete record to enable it to reach a decision with regard to this matter.²

¹ In the Matter of: *AN ELECTRONIC EXAMINATION OF THE APPLICATION OF THE FUEL ADJUSTMENT CLAUSE OF KENTUCKY UTILITIES COMPANY FROM NOVEMBER 1, 2020 THROUGH OCTOBER 31, 2022*, Case No. 2023-00010, Order of December 15, 2023

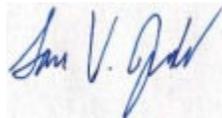

² *Utility Regulatory Commission v. Kentucky Water Service Company, Inc.*, 642 S.W.2d 591, 592-94 (Ky. App. 1982).

6. KU is filing with the Commission one electronic copy of the unredacted, confidential version of its narrative response to Question No. 12.

WHEREFORE, Kentucky Utilities Company respectfully requests the Commission grant confidential protection to the information designated as confidential in response to Question No. 12 for a period of five years from the date of filing the same.

Dated: February 20, 2026
