ON THE ADMINISTRATIVE RECORD**

Comes now Fleming-Mason Energy Cooperative, Inc., by counsel, and hereby moves the Kentucky Public Service Commission (“Commission”) to submit the case for a decision based upon the existing record and without the need for a hearing, respectfully stating as follows:

On December 19, 2025, the Commission issued an Order opening an investigation for the two-year review of Fleming-Mason Energy Cooperative, Inc.’s application of the Fuel Adjustment Clause from November 1, 2022 through October 31, 2024. The December 19, 2025 Order contained a procedural schedule that allowed for the filing of an affidavit of compliance and a deadline for motions to intervene in the case. There have been no motions for intervention filed in this case. Fleming-Mason Energy Cooperative, Inc. has until March 20, 2026, to request a hearing or state that the case should be submitted on the record.

Since there are no intervenors in this case, Fleming-Mason Energy Cooperative, Inc. believes the administrative record is complete and it would be appropriate for the Commission to make a ruling based upon the record. Fleming-Mason Energy Cooperative, Inc. respectfully requests a decision from the Commission based upon the existing record.

WHEREFORE, Fleming-Mason Energy Cooperative, Inc. moves the Commission to submit the case on the existing administrative record.

This 18th day of March, 2026
