Northeast Woodford County Water District  
Response to the March 9, 2026 Commission Staff Report

Dear Ms. Bridwell:

Northeast Woodford County Water District (Northeast Woodford District) submits the following comments concerning the Commission Staff Report dated March 9, 2026:

1. Northeast Woodford District submits the attached January 27, 2026 Fiscal Court Minutes wherein (Agenda Item #12) Woodford County Fiscal Court authorizes Northeast Woodford District to pay its commissioners a maximum compensation of \$6,000 annually to be paid at a rate of \$500 per month effective January 27, 2026.

2. In its report Commission Staff found Northeast Woodford District's Revenue Requirement from Rates to be \$874,075, which requires a revenue increase of \$89,734, or 11.44 percent. Northeast Woodford District requests the Commission revise Commission Staff's recommended revenue requirement and water rates to reflect the commissioner salaries authorized by the Woodford County Fiscal Court in its January 27, 2026 meeting.

3. Northeast Woodford District concurs with the remainder of the findings presented in the Commission Staff Report.

4. Northeast Woodford District waives its right to request an informal conference or hearing in this case.

If the Commission needs any additional information from Northeast Woodford District to expedite implementation of the new rates, please contact our office.
