Re: Case No. 2025-00353  
Laurel County Water District #2  
Alternative Rate Filing Adjustment

Dear Ms. Bridwell:

I am assisting Laurel County Water District #2 with the above-mentioned application for an adjustment in water rates. The Commission Staff issued its third request for information on March 3, 2026, with responses due by March 11, 2026. Due to an oversight the District's responses were not filed timely. The Laurel County Water District #2 responses were submitted to the case record on March 12, 2026. Please accept this request for leave to Late-File Laurel County Water District #2's responses to Commission Staff's third request for information.

Thank you, and if you have any questions with respect to this matter, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Sam Reid".
