Re: Case No. 2025-00353  
Laurel County Water District #2  
Deficiency Response

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is Laurel County Water District #2 response to the Commission's November 17, 2025, deficiency letter. The Commission found that Laurel County Water District #2's application for an adjustment to its water rates did not include all evidence of indebtedness. Specifically, USDA RD Series 2020A and 2020B.

Laurel County Water District #2 provides the Bond Resolution for USDA RD Series 2020A and 2020B to cure the filing deficiency.

If you have any questions or need any additional information, please let me know.

Sincerely,

*Wanda Smith*
