CASE NO. 2025-00354

BLUEGRASS WATER UTILITY OPERATING COMPANY, LLC'S RESPONSES TO SCOTT COUNTY'S POST-HEARING REQUEST FOR INFORMATION

REQUEST NO. 1:

Refer to Silas HVT (9/22/2026) 9:19:13 to 9:21:11. Concerning the accounts for customers served by the Delaplain service area wastewater treatment facilities, please provide the following information.

a. **Confirm that the Bluegrass Water classifies all non-residential wastewater customers in the Delaplain service area as "industrial/commercial" users. If this cannot be confirmed, please identify, by reference to Bluegrass Water's existing tariff provisions, the definitional distinctions and manner of classification between various non-residential wastewater customers in the Delaplain service area.**
b. **State the number of known residential connections (active or inactive) within the Delaplain service area as of June 30, 2026.**
c. **State the number of active/open residential service billing accounts for the Delaplain service area as of June 30, 2026.**
d. **State the number of known non-residential connections (active or inactive) within the Delaplain service area as of June 30, 2026. (This request is for actual connections and does not seek information concerning customer equivalency.)**
e. **State the number of active non-residential service billing accounts for the Delaplain service area as of June 30, 2026.**

f. For the number of active non-residential service accounts within the Delaplain service area as of June 30, 2026, state the number of non-residential customers who have more than one account for service to the same site or who receive more than one bill for service at a single billing address. (Otherwise stated: Provide the actual non-residential customer count for Delaplain service area as of June 30, 2026. This request does not seek information concerning customer equivalency.

RESPONSE:

a. Confirmed.

b. The Company's records currently reflect 324 known residential connections in the Delaplain service area as of October 8, 2026, the date the data was retrieved. Historical connection counts as of June 30, 2026, are not maintained in the ordinary course of business.

c. The Company's records currently reflect 302 active residential billing accounts in the Delaplain service area as of October 8, 2026, the date the data was retrieved. Historical account counts as of June 30, 2026, are not maintained in the ordinary course of business.

d. The Company's records currently reflect 38 known non-residential connections in the Delaplain service area as of October 8, 2026, the date the data was retrieved. Historical connection counts as of June 30, 2026, are not maintained in the ordinary course of business.

e. The Company's records currently reflect 33 active non-residential billing accounts in the Delaplain service area as of October 8, 2026, the date the data was retrieved. Historical account counts as of June 30, 2026, are not maintained in the ordinary course of business.

f. Based on the Company's current records, none of the active non-residential accounts in the Delaplain service area has more than one account serving the same service address or receive more than one bill at the same billing address.
