AND KENTUCKY-AMERICAN WATER COMPANY	**)**	
FOR THE TRANSFER OF CONTROL AND ASSETS	**)**	

JOINT APPLICANTS' STATEMENT REGARDING HEARING

On November 12, 2025, Kentucky-American Water Company ("KAWC") and the City of Livingston (collectively, "Joint Applicants") filed a Verified Joint Application pursuant to KRS 278.020(6) requesting approval of KAWC's acquisition of Livingston's water utility assets and KAWC's assumption of responsibility for the operation of Livingston's water utility operations and service to Livingston's citizens.

The Commission issued a procedural schedule on November 20, 2025 that included an intervention deadline and two rounds of discovery to be issued to KAWC and Livingston. There are no intervenors. Staff issued two rounds of discovery to each of KAWC and Livingston. Responses to that discovery have been filed.

The only remaining item on the procedural schedule is a January 9, 2026 deadline which is the "last day for Parties to request a Public Hearing or submit a request for the matter to be decided upon the written record." (November 20, 2025 Order, Appendix). The Joint Applicants hereby file this statement on the issue of whether they request a hearing.

Joint Applicants appreciate the opportunity to request a hearing and the Commission's willingness to conduct one. Based on the information in the Verified Joint Application and KAWC's and Livingston's responses to Staff's discovery requests, Joint Applicants believe the

Commission has before it all the information it needs to approve the Joint Applicants' Application. Therefore, Joint Applicants believe a decision can be reached on the existing record without the need for hearing. However, to the extent the Commission has any remaining questions or concerns that would prevent full approval of all relief requested, Joint Applicants would gladly appear at a hearing or an informal conference to address those questions or concerns.

Respectfully submitted,
