Kentucky Power Company's Motion for Extension of Time

Kentucky Power Company ("Kentucky Power" or "Company") moves the Public Service Commission of Kentucky ("Commission") pursuant to 807 KAR 5:011, Section 22, for an extension of time for which to respond to parts of certain data requests propounded by Joint Intervenors.

Joint Intervenors' data request JI PHDR-7 requests that the Company:

Provide communications between TRC and the Company concerning implementation of the HEIP and CESP. Please include in your response all presentations, meeting notes, and written updates in addition to electronic communications and phone logs.

The Commission's July 6, 2026, procedural order requires Kentucky Power to respond to all initial data requests by July 15, 2026.

Kentucky Power has worked diligently to identify and begin preparing all relevant responsive documents to be produced in response to JI PHDR-7. Despite Kentucky Power's diligence and best efforts to prepare and timely file documents responsive to this request, Kentucky Power requires additional time to review the correspondence for responsiveness and confidentiality, and to prepare such correspondence to be produced. Such efforts require reviewing

hundreds of emails throughout multiple individuals' inboxes, including at least one employee who is no longer employed by Kentucky Power.

Kentucky Power therefore moves the Commission pursuant to its July 6, 2026, procedural order in this case for a one-week extension of time through July 22, 2026, to file the correspondence responsive to JI PHDR-7 with the Commission. Kentucky Power is timely filing all other responses to data requests and attachments thereto.

For these reasons, the Company respectfully requests a short extension of time through July 22, 2026, to file correspondence responsive to JI PHDR-7 as detailed herein.

WHEREFORE, Kentucky Power Company respectfully requests that the Commission enter an Order:

1. Granting the Company an extension of time through July 22, 2026, to file correspondence responsive to JI PHDR-7 as detailed herein; and
2. Granting such further relief to which the Company may be entitled.

Respectfully submitted,

Kenneth J. Gish, Jr.
