Jeff W. Hesse.....1

**Duke Energy Kentucky**  
**Case No. 2025-00371**  
**STAFF Second Request for Information**  
**Date Received: January 26, 2026**

**STAFF-DR-02-001**

**REQUEST:**

Refer to the Application, Exhibit 4. Provide the appropriate quadrangle map for the current application, similar to that provided in Case No. 2023-00283.<sup>2</sup> Include identification of the service territory boundary changes, and that the map is signed and dated by both Duke Kentucky and Owen Electric.

**RESPONSE:**

Please see STAFF-DR-02-001 Attachment. This attachment contains both the maps originally provided with the Company's Application and, pursuant to this request, also an additional quadrangle map similar to that provided in Case No. 2023-00283.

**PERSON RESPONSIBLE:** Jeff W. Hesse

---

<sup>2</sup> Case No. 2023-00283, *Electronic Application of Duke Energy Kentucky, Inc. for Authorization of Changes in Service Territory with Owen Electric Cooperative, Inc.* (filed Aug. 31, 2023), Application, Exhibit 4.

1262 Cox Ave  
Erlanger, KY 41018

February 4<sup>th</sup>, 2026

Owen Electric  
Attn: Andrew Long  
8205 Hwy 127 N. P.O. Box 400  
Owenton, KY 40359

Subject: 2557 Hwy 491, Demossville & 2835 Senour Rd, Independence, KY

Property owners of both parcels have requested electric service to service these parcels for these two properties. This request has been evaluated by both Duke Energy and Owen Electric Engineering teams, and they have determined that some revisions to the current territory boundary would benefit all parties involved. The attached land base drawing (Exhibit 4) provides the details of the boundary change.

Duke Energy, Kentucky Inc. approves a service boundary change for these two parcels. If you agree with the description of the service territory boundary change (Exhibit 4), please have a copy of this letter and land base drawing (exhibit 4) signed, dated, and returned to me as authorization to proceed. This letter and accompanying drawing will then be submitted to the utility commission for a service territory boundary change.
