**Re: Case No. 2025-00389**  
Electronic Purchased Gas Adjustment Filing of Valley Gas, Inc.  
Notice of Intent to Place Proposed Rates into Effect

Dear Commissioners:

Valley Gas, Inc. ("Valley Gas") respectfully submits this letter as written notice to the Kentucky Public Service Commission ("Commission") of its intention to place its proposed Gas Cost Recovery ("GCR") rates into effect.

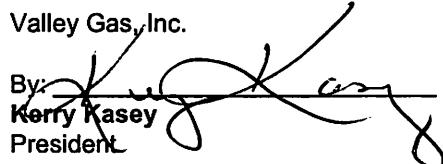

Pursuant to the Commission's Order entered December 23, 2025, in the above-referenced case, Valley Gas is providing notice that it has uploaded the proposed rate schedules and will begin charging the proposed rates during the **February billing period**. This implementation is subject to refund and further Commission review, as provided in the Order.

The proposed rates, including the updated monthly customer charge and commodity cost components, have been filed in accordance with the Commission's directives and are reflected in the revised rate schedule sheets.

Valley Gas will maintain its records in such a manner as will allow the Commission, the Company, or any customer to determine the amounts to be refunded to whom, should a refund be ordered upon final resolution of this matter.

If the Commission has any questions or requires additional information, please do not hesitate to contact the undersigned.

Respectfully submitted,

Valley Gas, Inc.
