**Re: Case No. Pole Attachment Tariff Review/Investigation – Rebuttal Testimony
2025-00391**

Dear Ms. Bridwell:

Louisville Gas and Electric Company and Kentucky Utilities Company (jointly, “the Companies”) will not be filing rebuttal testimony in this case, as Kentucky Broadband and Cable Association (“KBCA”) did not submit any testimony for the Companies to rebut and because the Companies’ Response filed on January 9, 2026 fully addresses KBCA’s objections to the Companies’ tariffs.

For these reasons, the Companies also request that the case be submitted for decision based on the written record. If, however, any other party requests a hearing, the Companies reserve their right to be heard as well. And, of course, should the Commission determine a hearing would be beneficial in reaching its decision on the issues presented in this case, the Companies are happy to participate to provide any further clarity needed.

Thank you,
