Re: Case No. 2025-00409

Dear Ms. Bridwell:

Please find enclosed Delta's Quarterly Report of Gas Cost Recovery Rate Calculation, which determines the rate to be effective with the first billing cycle of February that includes meters read on and after January 26, 2026. Delta has filed a Petition for Confidential Protection for certain of the information in the Quarterly Report and gas supplier invoices.

In accordance with Ordering Paragraph 2 in the Commission's April 28, 2023 Order in Case No. 2023-00076, Delta is enclosing a report regarding its GCR surcharge collections. In September 2025, Delta fully collected the balance from the former Peoples Gas of KY LLC customers through the \$0.74 per Mcf surcharge and stopped assessing the surcharge pursuant to the tariff's terms. Delta has proposed a text change to Sheet No. 6.2 to remove the reference to the \$0.74 surcharge. Delta is continuing to recover the \$0.87 per Mcf surcharge from all other customers, as that balance has not yet been fully recovered.

In accordance with 807 KAR 5:001, Section 8(7), this is to certify that Delta's December 23, 2025 electronic filing is a true and accurate copy of the documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on December 23, 2025; that there are currently no parties that the Commission has excused from participation by electronic means in this proceeding,

Please let me know if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Monica H. Braun".
