## REVISED NOTICE

City of Albany has filed a proposed rate schedule which will increase by 39.0476% (\$0.82 per 1,000 gallons) from the published tariff, and a increase of the base rate, but no increase in the rates which it currently charges to Cumberland County Water District for water service. City of Albany currently charges a minimum of \$3,021.00 for 1.5 million gallons and \$2.92 per 1,000 gallons for all usage over 1.5 million gallons.

The last tariff filing shows \$2.10 per 1,000 gallons for usage exceeding 1.5 million gallons, with the contract listing the base rate of \$2,125.00 for the first 1.5 million gallons for water services.

It proposes to charge the rate stated in the first paragraph above and to file a new tariff for water service provided to Cumberland County Water District effective February 12, 2026. Therefore, no rate increase is proposed. Rather, the City of Albany is amending its tariff to comply with its current charges.

The rate contained in this notice are the rates proposed by City of Albany. The Public Service Commission, however, may order rates to be charged that differ from the proposed rates contained in this notice.

Any corporation, association, or person with a substantial interest in the matter may, by written request, within thirty (30) days after publication or mailing of this notice of the proposed rate changes request to intervene by filing a timely request for intervention to the PSC, P.O. Box 615, Frankfort, Kentucky 42602, establishing the grounds for the request including the status and interest of the party. Intervention may be granted beyond the thirty (30) day period for good cause shown.

If the Commission does not receive a written request for intervention within thirty (30) days of the initial publication or mailing a notice, the Commission may take final action on the filing.

Any person who has been granted intervention by the Public Service Commission may obtain copies of the rate application and any other filings made by City of Albany by contacting Mayor James Bray, 260 Burkesville Road, P.O. Box 129, Albany, Kentucky 42602.

Any person may examine City of Albany's rate application and any other filings at its main office at City Hall, 260 Burkesville Road, Albany, Kentucky 42602 or at the Public Service Commission's Office at 211 Sower Blvd., Frankfort, Kentucky 40602, Monday through Friday, 8:00 am to 4:30 pm or through the Commission's Website at [psc.ky.gov](http://psc.ky.gov).

Comments regarding this tariff filing may be submitted to the PSC through its website or by mail to Public Service Commission, P.O. Box 615, Frankfort, Kentucky 40602.

The proposed rates are expected to be filed with the Commission on January 12, 2026.

**RESOLUTION NO. 2026-02-01**

**A RESOLUTION OF THE BOARD OF COMMISSIONERS  
OF THE CUMBERLAND COUNTY WATER DISTRICT  
ADJUSTING WATER RATES AND CHARGES TO OFFSET  
THE CITY OF ALBANY'S WHOLESALE RATE INCREASE**

**WHEREAS**, the City of Burkesville (“Burkesville”), Columbia Adair Utilities District (“CAUD”), and the City of Albany (“Albany”) are Cumberland County Water District’s (“District”) wholesale water providers;

**WHEREAS**, on January 8, 2026 Albany filed an application with the Kentucky Public Service Commission (“PSC”) seeking to increase the wholesale water rate that Albany charges the District from \$2,125.00 for the first 1.5 million gallons per month to \$3,021.00 for the first 1.5 million gallons per month, and to increase the cost of all usage over 1.5 million gallons per month from \$2.10 to \$2.92 per 1,000 gallons (See PSC Case TFS2026-00012), effective February 12, 2026;

**WHEREAS**, based upon the water purchases from Albany during the previous 12 months, the estimated annual increased cost to the District will be **\$70,471.78**;

**WHEREAS**, prudent financial management dictates that the District take

immediate action to adjust its retail rates commensurate with Albany's wholesale rate increase; and

**WHEREAS**, KRS 278.015 and 807 KAR 5:068 provide the legal mechanism for the District to increase its water rates commensurate with Albany's wholesale rate increase via a Purchased Water Adjustment ("PWA").

**NOW, THEREFORE, IT IS HEREBY RESOLVED BY THE BOARD OF COMMISSIONERS OF CUMBERLAND COUNTY WATER DISTRICT AS FOLLOWS:**

**Section 1.** The facts, recitals, and statements contained in the foregoing preamble of this Resolution are true and correct and are hereby affirmed and incorporated as a part of this Resolution.

**Section 2.** The PWA factor is **\$0.53** per 1,000 gallons;

**Section 3.** All tiers of water usage set forth in the District's existing tariff shall be increased by **\$.53** per 1,000 gallons, subject to any minor adjustment that may be made by the PSC.

**Section 4.** The monthly water rates to be charged to and collected from the customers and users of the water system of the District shall be as set forth in **Appendix A**, which is attached hereto and is incorporated herein by reference as a part of this Resolution. The rates and charges set forth in **Appendix A** are subject

to any minor adjustment that may be made by the PSC. These monthly rates and charges shall be in effect for all water service rendered on and after February 12, 2026.

**Section 5.** The General Manager is hereby authorized and directed to execute and file the PWA Application, Tariff Sheet, and all other documents that may be required by the PSC.

**Section 6.** The General Manager, all appropriate District Staff, and the District's attorney are hereby further authorized and directed to take any and all other actions and to execute and deliver any and all other documents as may be reasonably necessary to implement the PWA.

**Section 7.** This Resolution shall take effect upon its adoption.

**ADOPTED BY THE COMMISSION OF CUMBERLAND COUNTY  
WATER DISTRICT** at a meeting held on February 9, 2026, signed by the Chairman, and attested by the Secretary.
