### **SECTION I**

This franchise, granted herein by the City, shall not be exclusive and the City reserves the right to grant a similar franchise to any other person or entity at any time. Any franchise granted hereunder shall**

be extended to newly annexed territory upon the same terms and conditions as herein, subject to approval of the state regulatory authorities as applicable.

## SECTION II

**TERMS OF FRANCHISE.** The franchise hereby created shall be for a set term of ten (10) years from and after the date the same shall become effective, but is not exclusive, and the City reserves the right to sell similar franchises to others. This franchise shall not restrict in any manner the right of the City of Owingsville in the exercise of any regulatory power which it now has or which may hereafter be authorized or permitted by law.

## SECTION III

**OPERATION AND MAINTENANCE.** When the franchisee shall enter upon any street for the purpose of constructing, erecting, operating, maintaining, and/or removing equipment and apparatus, it shall prosecute the work, at its own cost and expense, with due diligence and shall dig and close up all trenches and exposed places as rapidly as possible, and shall leave the streets in reasonably the same condition as prior to its entry. All such repairs shall be maintained by the franchisee for one (1) year in as good condition as the remainder of said street. In the event the franchisee fails, refuses, or neglects to comply with the above provisions, the City shall have the right, after notice in writing having first been given to the franchisee or any officer or agent representing it, to do said work or make said repairs, and the cost and expense thereof shall be paid to the City by the franchisee within thirty (30) days from the date on which an itemized bill is presented to the franchisee.

The franchisee shall comply with all the laws of the Commonwealth of Kentucky and ordinances of the City as to placing lights, danger signals, or warning signs. Such work by the franchisee shall be done in a workmanlike manner and so as not to unnecessarily interfere with public use of any of said streets.

## SECTION IV

**FRANCHISE REQUIREMENTS.** In addition to any other franchise requirements hereunder or made or adopted herein as provided, the following requirements shall apply to any franchise granted hereunder:

a) Franchise fee - In consideration of the granting and exercise of the franchise herein, and in further consideration of the grant to the Franchisee the right to make use of the public streets, alleys, or other public ways in the City, since such public properties

are valuable properties acquired and maintained at great expense to the taxpayers of the City, and the grant to Franchisee of the right to use same is a valuable property right without which the Franchisee would be required to invest substantial capital in right of way costs and acquisitions, Franchisee shall pay to the City during the entire life of the franchise a sum equal to three percent (3%) of the franchisees' gross revenues received from natural gas distribution services generated within the corporate limits of the City, to be paid as set out in the Franchise Agreement.

b) Any franchise payments to the City by Franchisee shall not be *in lieu* of any occupational, income, license, or property tax, or similar levy, assessment, fee or charge which would otherwise apply to be payable by Franchisee.

c) Upon acceptance of such franchise, Franchisee shall file with the City Clerk of the City of Owingsville, Kentucky, and shall thereafter during the entire term of such franchise, maintain in full force and effect a Comprehensive General Liability Insurance policy with limits of not less than \$1,000,000.00 each occurrence and \$3,000,000.00 aggregate, for both bodily injury and property damage, and which shall insure Franchisee, and shall provide primary coverage for the City, its officers, boards, commissions, agents, and employees against liability for loss or damage occasioned by any activity or operation of Franchisee under such franchise and which shall contain and include a standard cross-liability endorsement thereto.

d) Franchisee shall indemnify and hold harmless, the City, its officers, boards, commissions, agents, and employees, against and from any and all claims, demands, causes of actions, actions, suits, proceedings, damages, costs or liabilities (including costs or liabilities of the City with respect to its employees), of every kind and nature whatsoever, including, but not limited to, damages for injury or death or damage to persons or property, and regardless of the merit of any of the same, against all liability to others, and against any loss, costs, and expense resulting or arising out of any of the same, including any attorney fees, accountant fees, expert witness or consultant fees, court costs, per diem expense, traveling and transportation expense, or other costs or expense arising out of or pertaining to actions of Franchisee in the exercise or the enjoyment of any privilege hereunder by Franchisee, of the granting thereof by the City, if and to the extent such damage or injury is not caused by the City's negligence or misconduct.

e) Defense of litigation. Franchisee shall, at its sole risk and expense, upon demand of the City made by and through the City Attorney, appear in and defend any and all suits, actions, or other legal proceedings, whether judicial, quasi-judicial, administrative, legislative, or otherwise, brought or instituted or had by third person or duly constituted authorities, against or affecting the City, its officers, boards, commissions, agents, or employees, and arising out of or pertaining to action of Franchisee in the exercise or the enjoyment of such franchise, or the granting thereof by the City, if and to the extent such damage or injury is not caused by the City's negligence or misconduct.

Franchisee shall pay, and satisfy, and shall cause to be paid and satisfied any judgment, decree, order, directive, or demand rendered, made, or issued against

Franchisee, the City, its officers, boards, commissions, agents, or employees, and such indemnity shall exist and continue without reference to or limitation by the amount of any bond, policy of insurance, deposit, undertaking, or other assurance required hereunder, or otherwise; provided, that neither Franchisee nor City shall make or enter into any compromise or settlement of any claim, demand, cause of action, action, suit or other proceeding, without first obtaining the written consent of the other.

f) Franchisee shall abide by all provisions of this franchise ordinance, and shall further agree that it will not, at any future time, set up as against the City the claim that the provisions of this franchise ordinance are unreasonable, arbitrary or void.

## SECTION V

The purchaser or purchasers of any franchise created hereby shall have the right to break, take up and remove such portion or part of any pavement to make such excavation in the streets and public ways of the City as may be deemed necessary to provide the service to customers; provided, however, that any such work first be properly approved pursuant to Chapter 91 of the Owingsville City Code, and further provided that any such work or project so commenced by franchisee hereunder be promptly and diligently prosecuted to completion and upon such completion the streets, alleys, sidewalks and public ways of the City shall exist in as good condition and repair as before such work was commenced, pursuant to Chapter 91 of the Owingsville City Code. Further, the franchisee shall, upon request by the City, move and adjust any of its facilities or properties as shall be located on City property on right of way at its own expense, during construction or reconstruction of the improvements on such property or right-of-way, and such movement or adjustment shall be accomplished within thirty (30) days after request by the City; provided, however, if franchisee shall not be able to accomplish such movement or adjustment within said time period, franchisee shall notify the City of the reason that compliance will be delayed, and will thereafter effect compliance as soon as practicable. In the event of non-compliance with the foregoing, the franchisee shall be liable to the City or the contractor, as the case may be, for damages for delay in construction occasioned thereby.

## SECTION VI

The consideration paid by franchisee hereunder shall be the full and complete consideration for the franchise, privilege and right granted by the City, and shall be expressly in lieu of any street or alley rental or of any charge for the use or occupancy of said streets, alleys, or public places in the City.

## SECTION VII

The franchise created hereby shall not be transferred, assigned, nor delegated without the written consent of the City, which consent shall not be unreasonably withheld.

## SECTION VIII

Said franchise shall be sold to the best available bidder on the 9th day of March, 2026, at 6:30 PM o'clock. The City Clerk shall give notice by advertising pursuant to KRS Chapter 424 for request for bids and the time for receipt of same. Any utility subject to the terms and provisions of this ordinance may provide for in its bid any special or extraordinary matters or circumstances which relate or apply to its particular business; all subject, however to the right of rejection of any such bid by the City.

After the time set for receipt of bids hereunder, the Mayor shall report and submit to the City Council at the time of its next regular meeting the bids and proposals for its approval. The City Council reserves the right for and on behalf of the City to reject any and all bids for said franchises and privileges, and the City Council may direct by resolution or ordinance said franchise or franchises to be again offered for sale from time to time until a satisfactory bid or bids shall be received and approved. Each such bid shall be accompanied by a deposit and each bidder shall post bond in accordance with the provisions of KRS 96.020; provided, however, that such deposit and bond need not be made by any bidder which owns and operates an existing natural gas transmission and distribution system within the corporate limits of the City, the plant and equipment sufficient to render the service or services required by this ordinance.
