COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION OF KENTUCKY

In the Matter of:		
ELECTRONIC INVESTIGATION OF CRITTENDEN-LIVINGSTON COUNTY WATER DISTRICT FOR ALLEGED FAILURE TO COMPLY WITH KRS 278.160 AND COMMISSION ORDERS	))))	CASE NO. 2026-00066

MOTION FOR CLARIFICATION OF ORDER

Crittenden-Livingston County Water District ("CLWD"), by counsel, respectfully moves the Kentucky Public Service Commission ("Commission") for clarification of its Final Order entered August 18, 2026, and in support states as follows:

On August 18, 2026, the Commission entered its Final Order in this proceeding. Ordering Paragraphs 1 and 3 of the Final Order assess civil penalties against and establish training requirements for certain identified commissioners and CLWD's manager.

The Final Order identifies Commissioner Tony Travis as one of the individuals subject to the civil penalty and training provisions of the Order. Following review of the Order, CLWD determined that Mr. Travis was not serving as a member of the Board of Commissioners during the period relevant to the violations investigated in this proceeding, was not involved in the actions that form the basis of the Commission's findings, and is no longer a member of the Board of Commissioners. Mr. Travis's tenure on the Board of Commissioners ran from May 19, 2022 to July 14, 2025.

CLWD does not seek reconsideration of the merits of the Commission's findings as to any other individual or issue. Rather, it respectfully requests clarification of the Order and amendment of the portions identifying Mr. Travis as subject to the civil penalty and training provisions.

The Commission possesses authority to correct factual inaccuracies, clerical errors, or inadvertent misidentifications appearing in its Orders where necessary to accurately reflect the record. Because Mr. Travis was not serving as a commissioner during the period relevant to the violations investigated herein and is no longer a member of the Board, the inclusion of his name in Ordering Paragraphs 1 and 3 would impose obligations upon an individual who did not participate in the conduct at issue. Amendment of the Order will ensure that the Commission's directives accurately identify and implicate only those individuals who served as commissioners during the relevant period.

REQUEST FOR RELIEF

WHEREFORE, CLWD respectfully requests that the Commission clarify and amend its August 18, 2026, Order to remove Tony Travis from Paragraphs 1 and 3 and any related references in the Order and release him of all obligations contained therein; and grant all other appropriate relief.

Dated: November 16, 2026

Respectfully submitted,
