In the Matter of:

CRITTENDEN-LIVINGSTON COUNTY WATER) CASE NO. 2026-00066
DISTRICT FOR ALLEGED FAILURE TO COMPLY)
WITH KRS 278.160 AND COMMISSION ORDERS)

**STATEMENT OF THE MEMBERS OF THE
CRITTENDEN-LIVINGSTON COUNTY WATER DISTRICT
BOARD OF COMMISSIONERS**

In response to the Public Service Commission's April 1, 2026 Order, T.L Maddux, Tim Capps, Darrell Simpson, Alan Hunt, and Glenn Hughes individually as the members of the Crittenden-Livingston County Water District Board of Commissioners (the "Board") state as follows:

The Board has never willfully or intentionally violated the Public Service Commission's November 4, 2025 Order implementing a new rate schedule for CLWD, and the Board did not willfully or intentionally fail to submit a copy of the March 26, 2021 Water Purchase Contract with Ledbetter Water District to the Commission. The Board acknowledges that both occurrences violated the terms of the Commission's November 4, 2025 Order and KRS 278.160, respectively.

The Board did not delay the implementation of the November 4, 2025 wholesale rates to disregard or usurp the Commission's Order or jurisdiction over ratemaking. At its regular monthly meeting on November 24, 2025, the Board decided to delay the implementation of the new wholesale water rates until March 27, 2026 to provide its wholesale customers with ample notice of the rate increase.

CWLD has now implemented all wholesale rates as prescribed by the Commission's November 4, 2025 Order in order to ensure ongoing compliance with the Commission's Order and will endeavor to make every effort to observe all terms and conditions set forth in the Commission's Order.

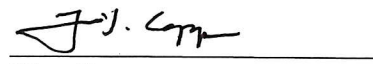

Further, the Board did not willfully fail to submit to the Commission a copy of the March 26, 2021 Water Purchase Agreement it executed with Ledbetter Water District. The Board has employed new superintendent Abbie Adamson to ensure that all regulatory filings are made in a timely fashion to comply with Commission Orders, regulations, and other applicable laws.

The Board acknowledges and takes full responsibility for the delay in implementing the new wholesale rate and for CWLD's failure to submit the Water Purchase Contract it executed with Ledbetter Water District to the Commission. The Board commits to participating in water commissioner training as offered by the Public Service Commission for additional training in managing a water district. The Board also commits to engaging legal counsel as necessary to ensure regulatory and statutory compliance for CWLD operations.
