**Kentucky Power Company's Request To Submit Matter For
Decision On The Written Record**

In accordance with the Public Service Commission of Kentucky's ("Commission") April 21, 2026 Order, Kentucky Power Company ("Kentucky Power" or "Company") respectfully requests that this matter be submitted for decision on the record and without a hearing. In support of its request, Kentucky Power states as follows:

The Commission opened this case and issued its procedural schedule by order dated April 21, 2026 ("Procedural Schedule"). The Procedural Schedule set the last day to intervene in this case as May 22, 2026. No party moved to intervene in this case. Commission Staff issued its first set of data requests to Kentucky Power on April 21, 2026, to which the Company submitted responses on May 15, 2026. Commission Staff then issued its second set of data requests on June 4, 2026, to which the Company submitted responses on June 23, 2026. The Procedural Schedule provides that Kentucky Power may request a hearing or to submit this matter for a decision on the record by August 19, 2026.

Kentucky Power contends that the record in this case has been sufficiently developed and, therefore, respectfully requests that this matter be submitted for decision on the record as of the date of this filing.

However, the Company will defer to the Commission if the Commission or Commission Staff determines that a hearing is needed or would be beneficial to supplement the record of this matter with additional evidence. In that event, the Company will make its witnesses available for any such hearing at the convenience of the Commission. The Company is also willing to attend an Informal Conference with Commission Staff and the parties to discuss any outstanding issues, any evidence submitted, or to discuss any other matters that would aid in the handling and disposition of the case.

Respectfully submitted,
